move right

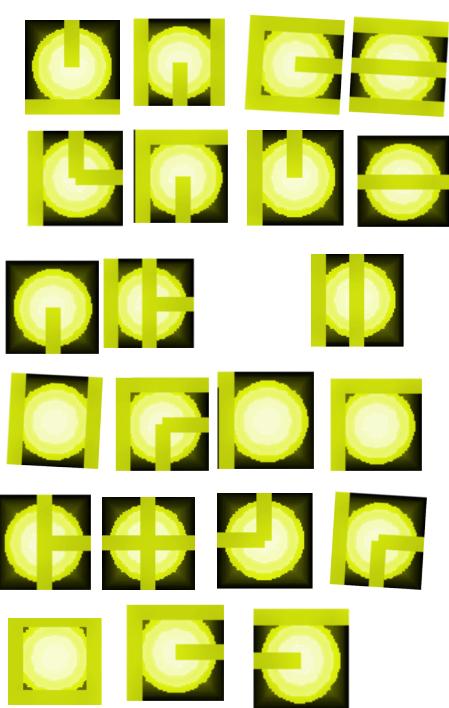

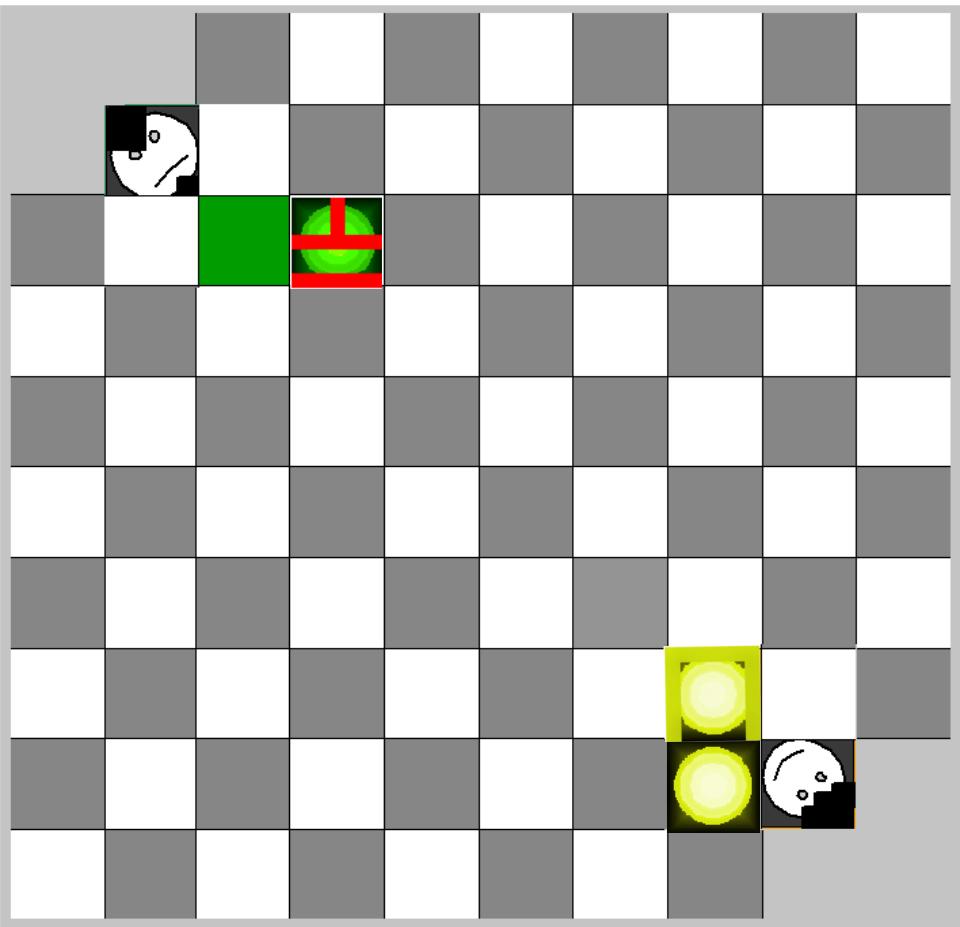

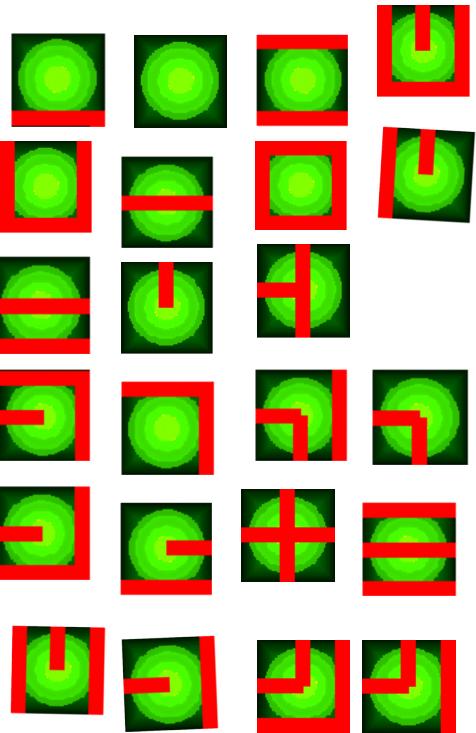

Green:
pass

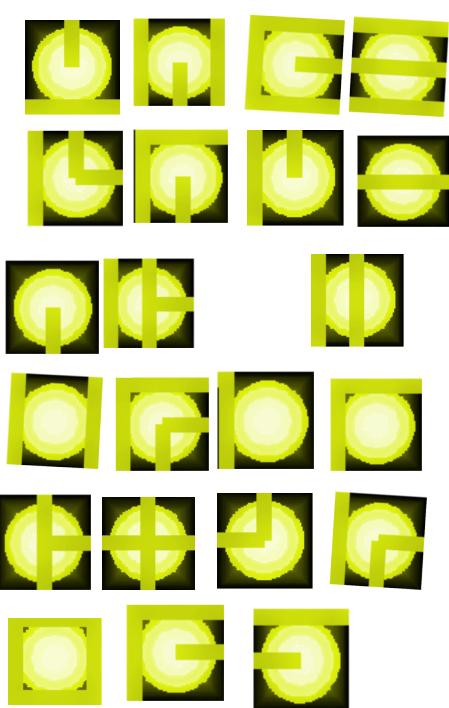

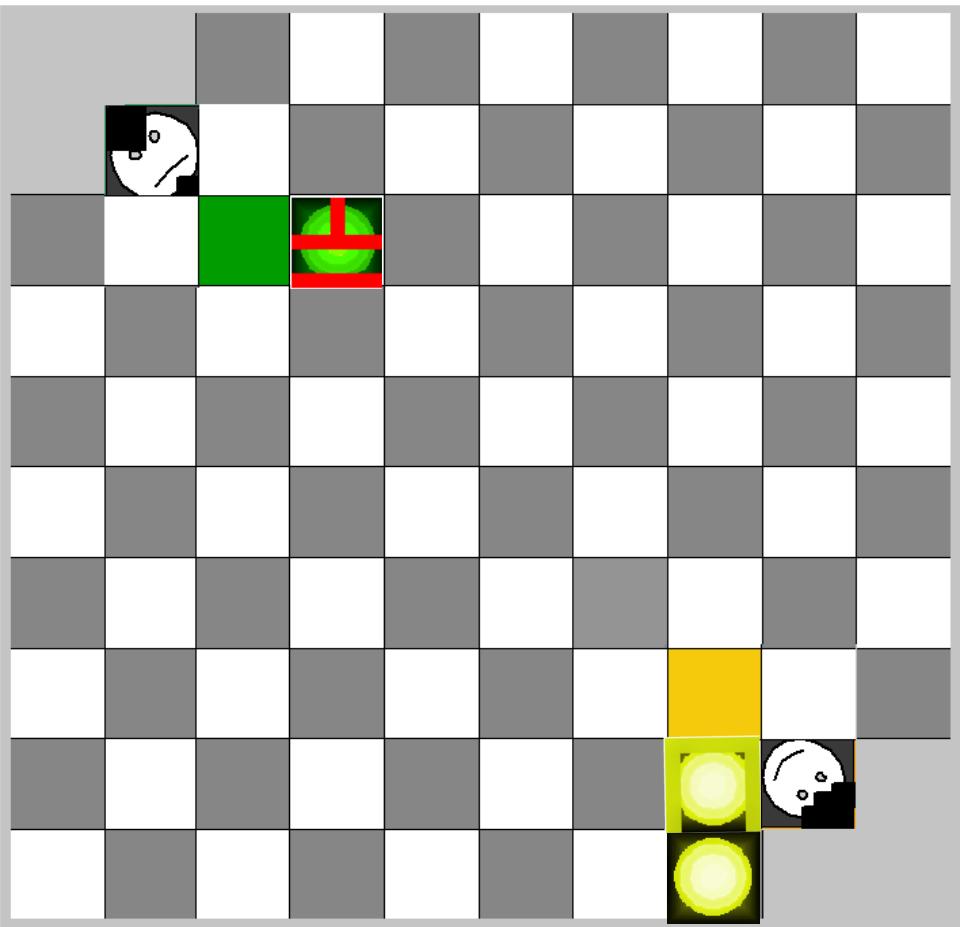

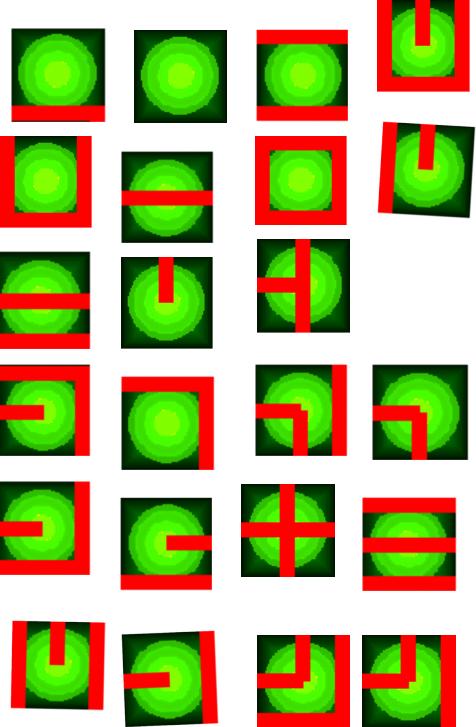

Yellow:
start

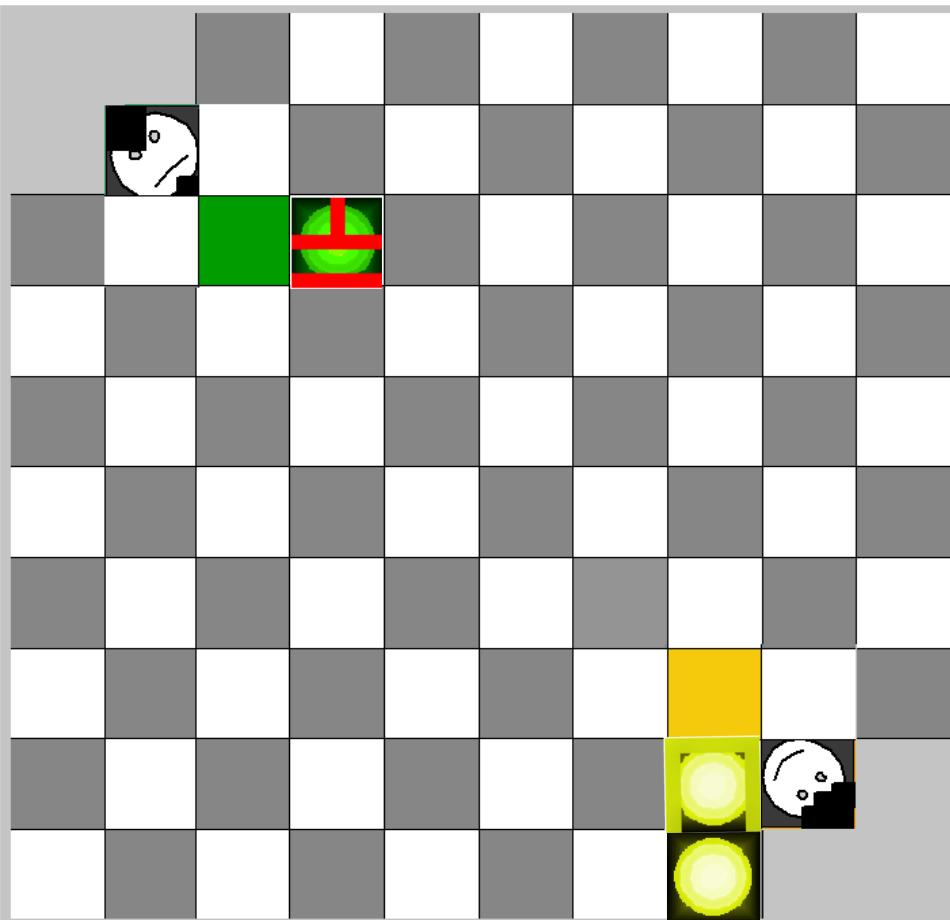

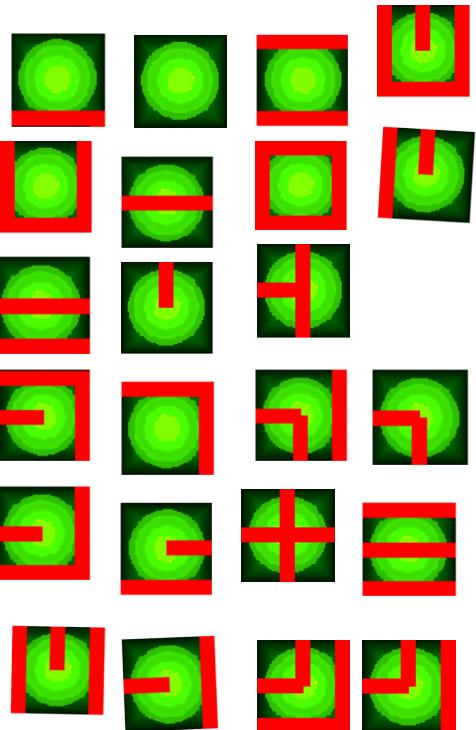

Yellow:
create

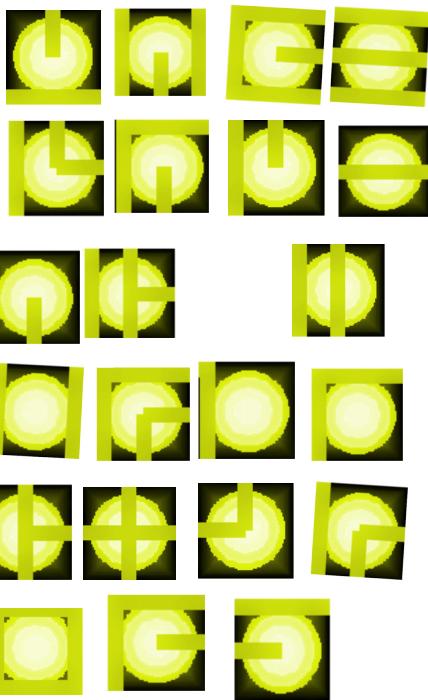

Yellow:
move down

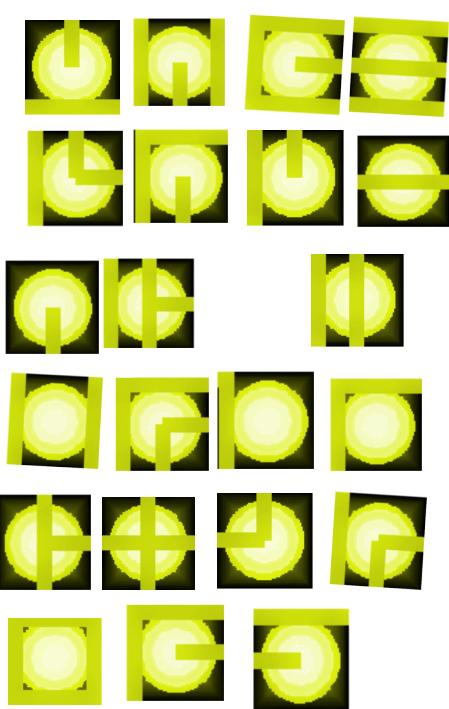

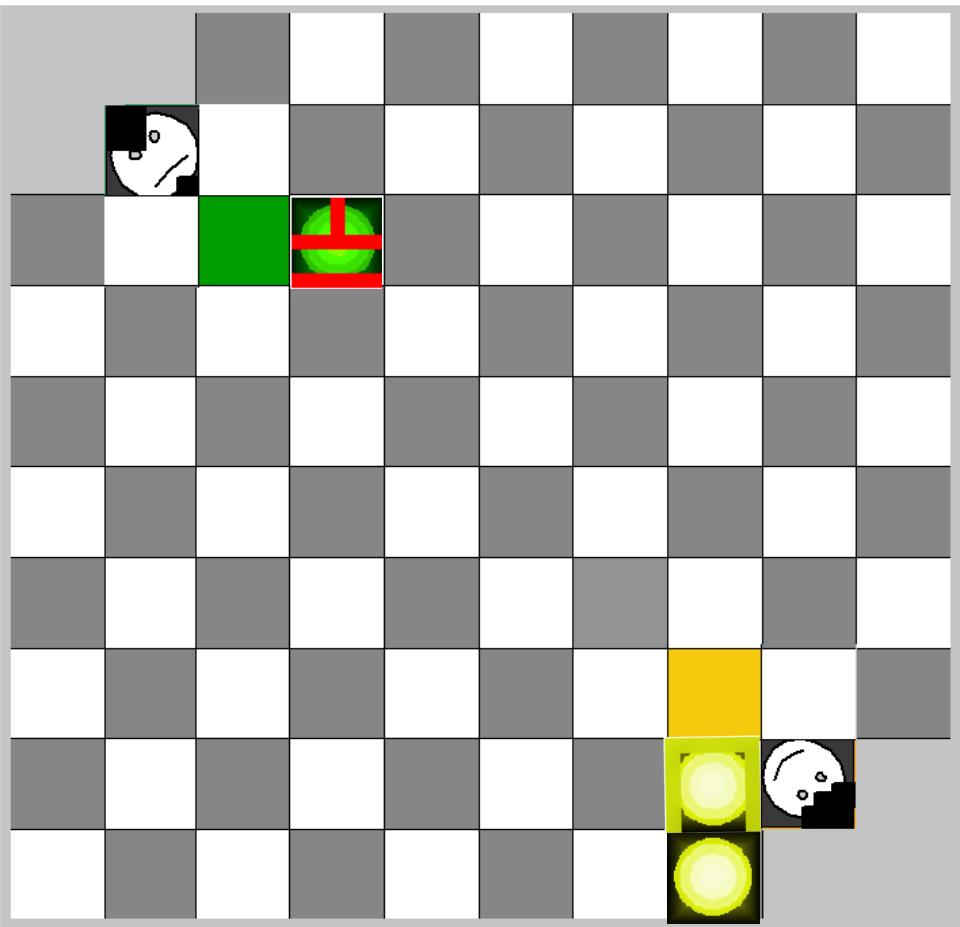

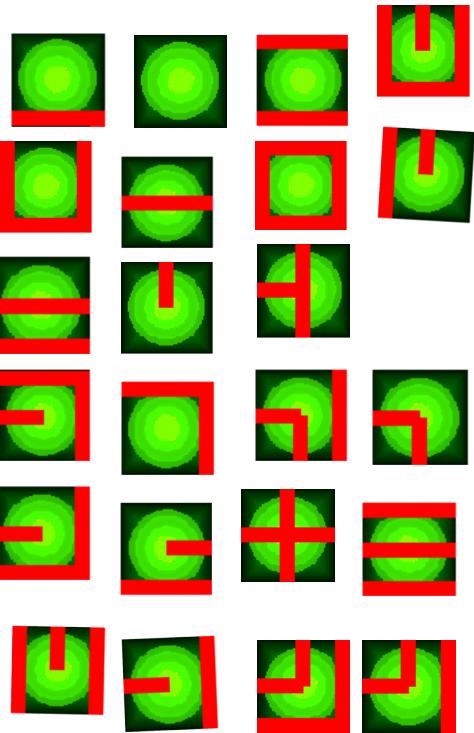

Yellow:
pass

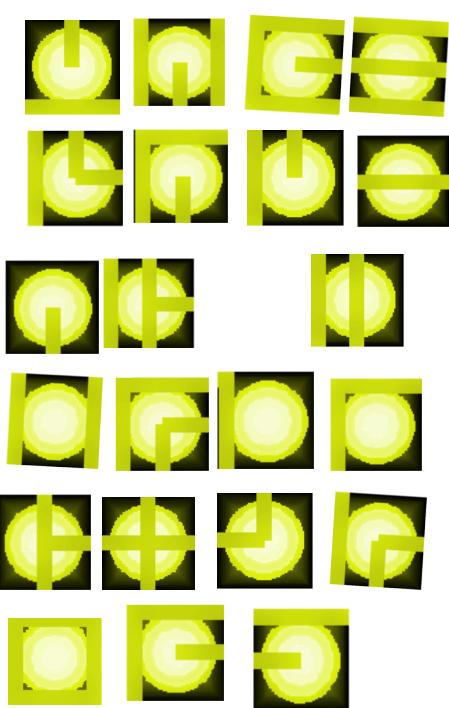

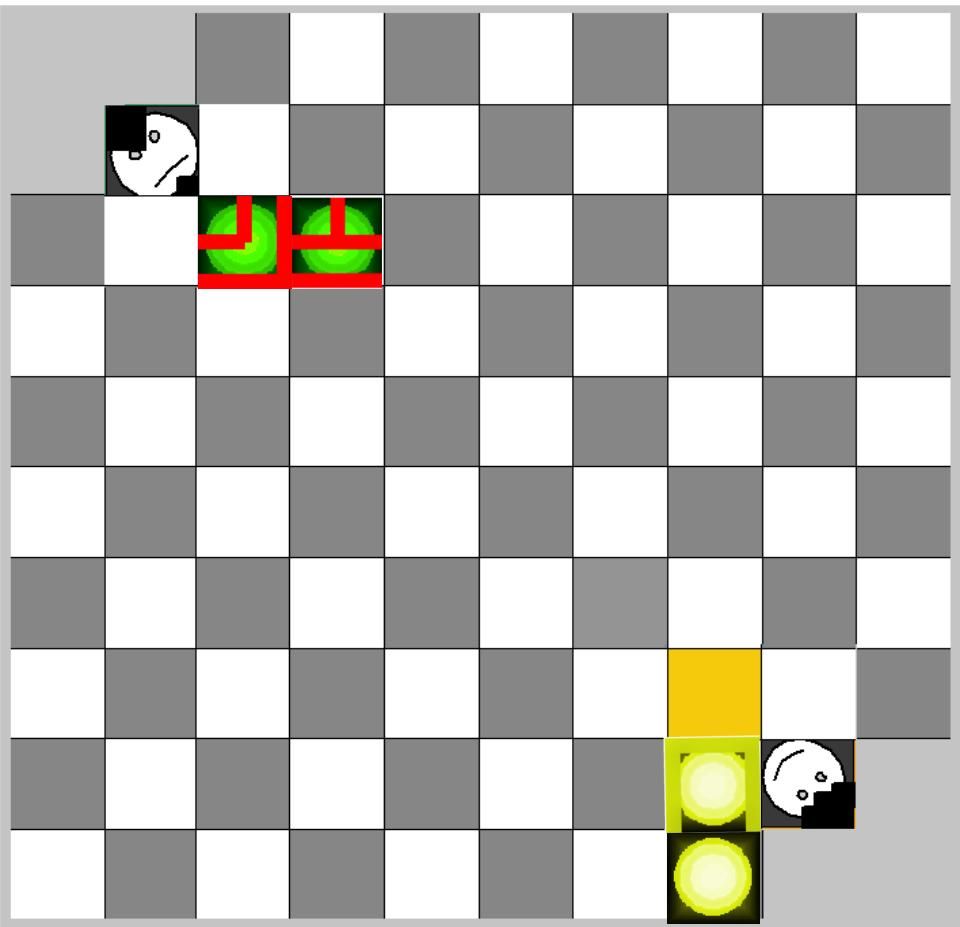

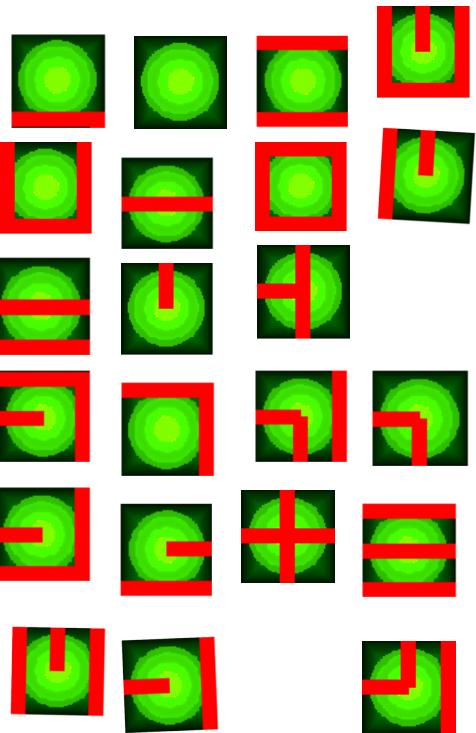

Note: yellow could
instead still move

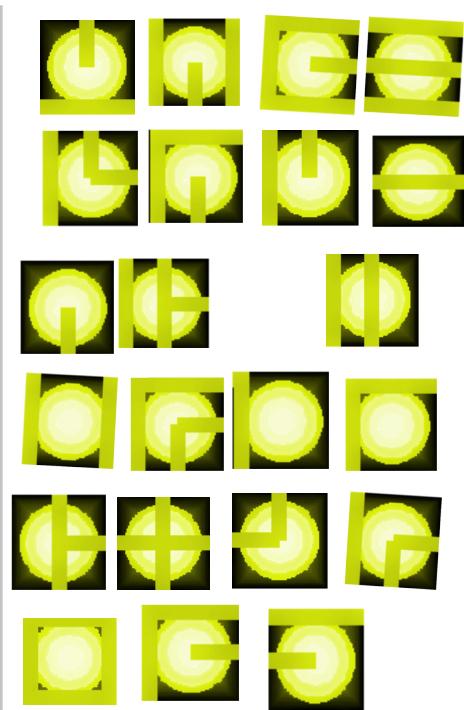

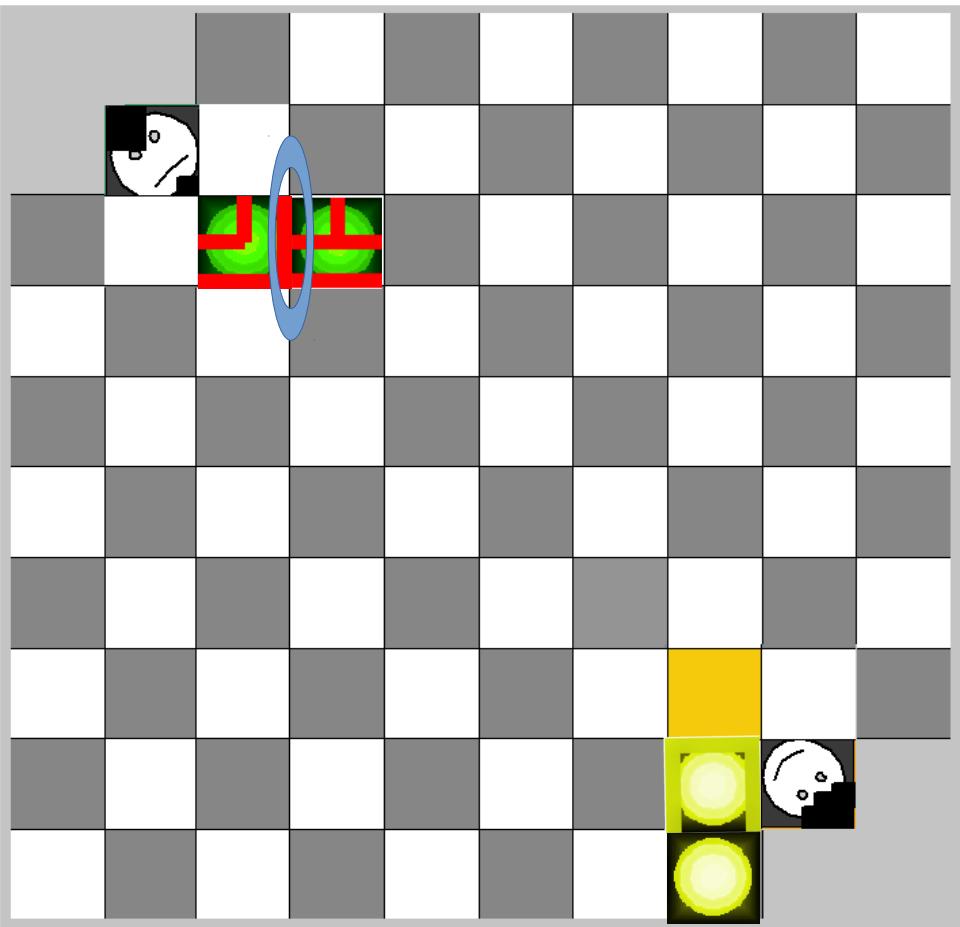

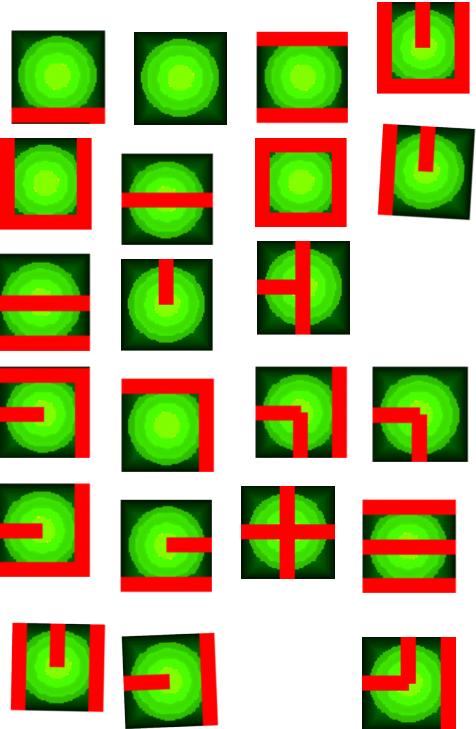

Green:
start

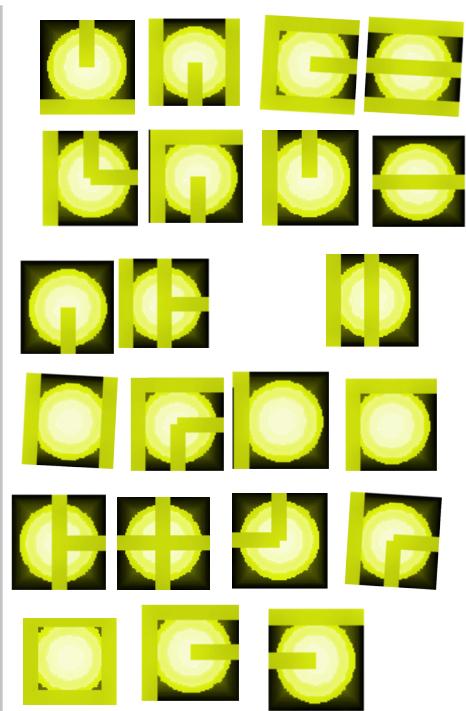

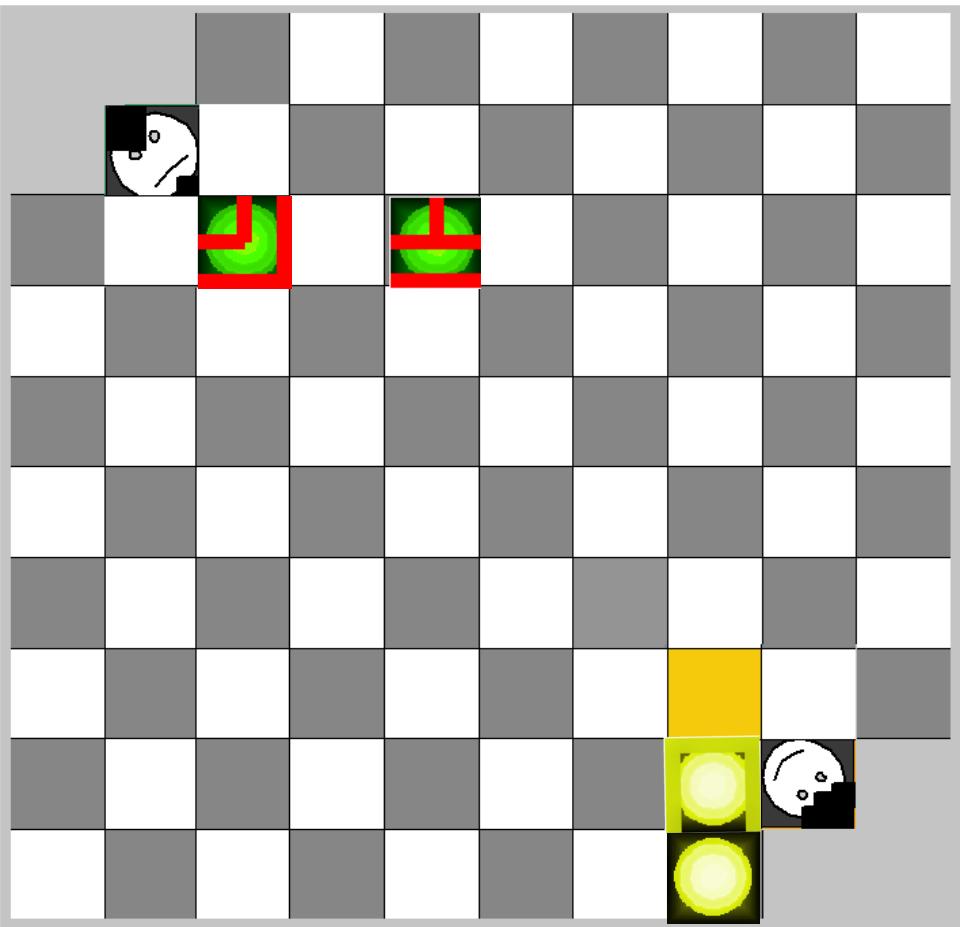

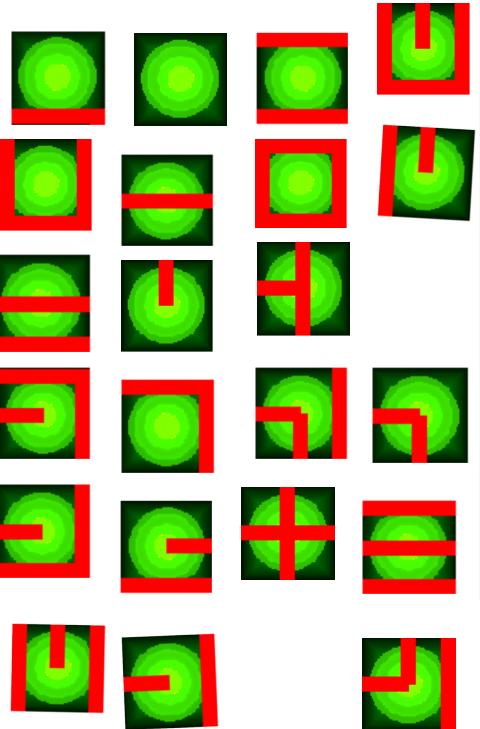

Green:
create

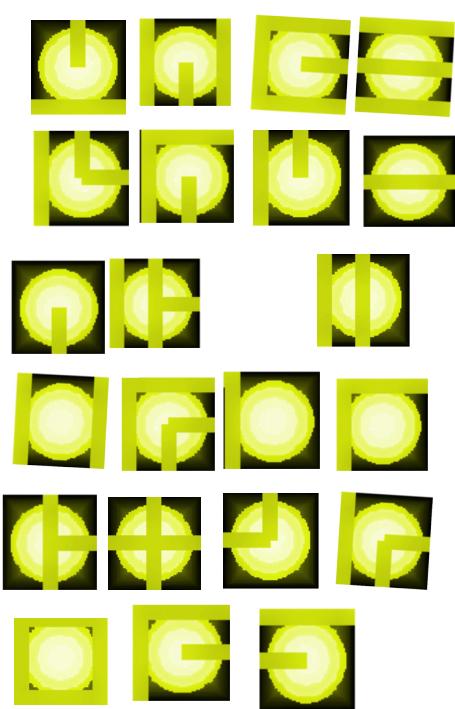

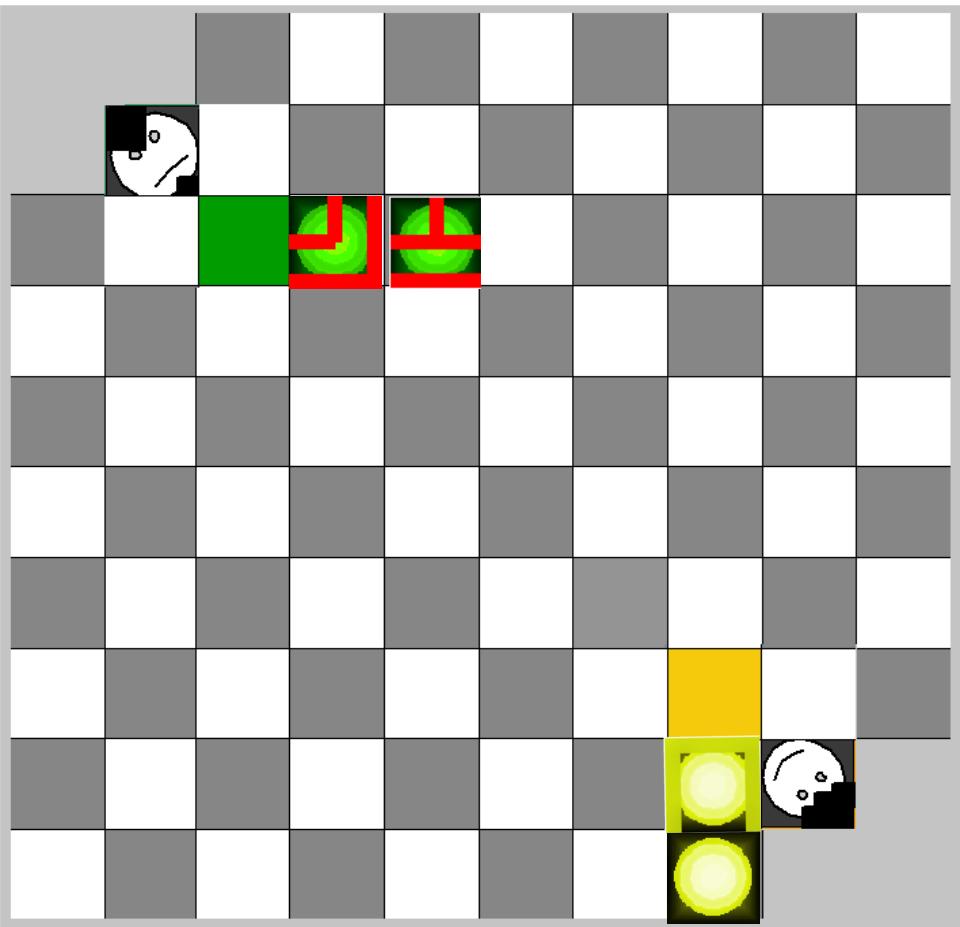

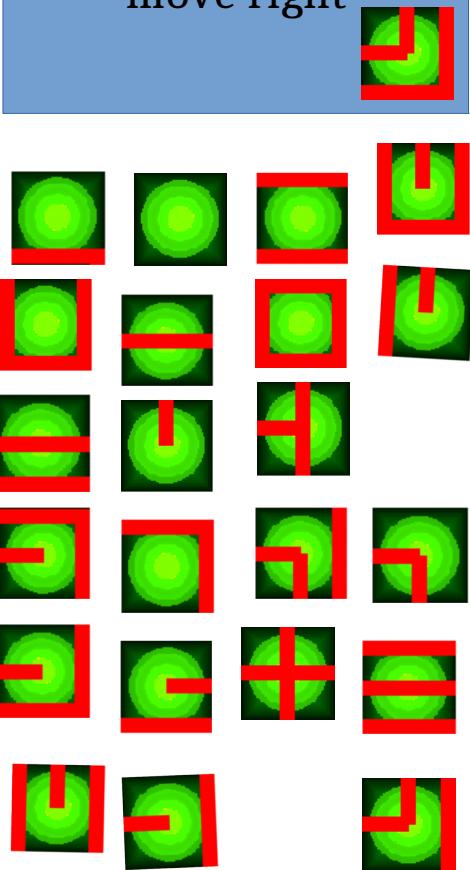

Green:
reaction

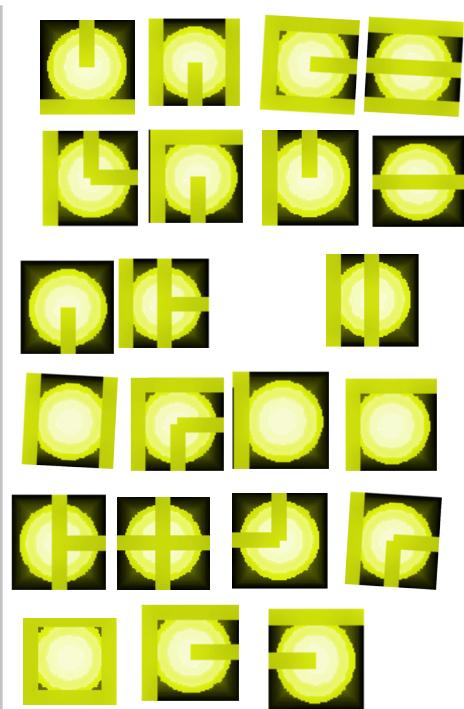

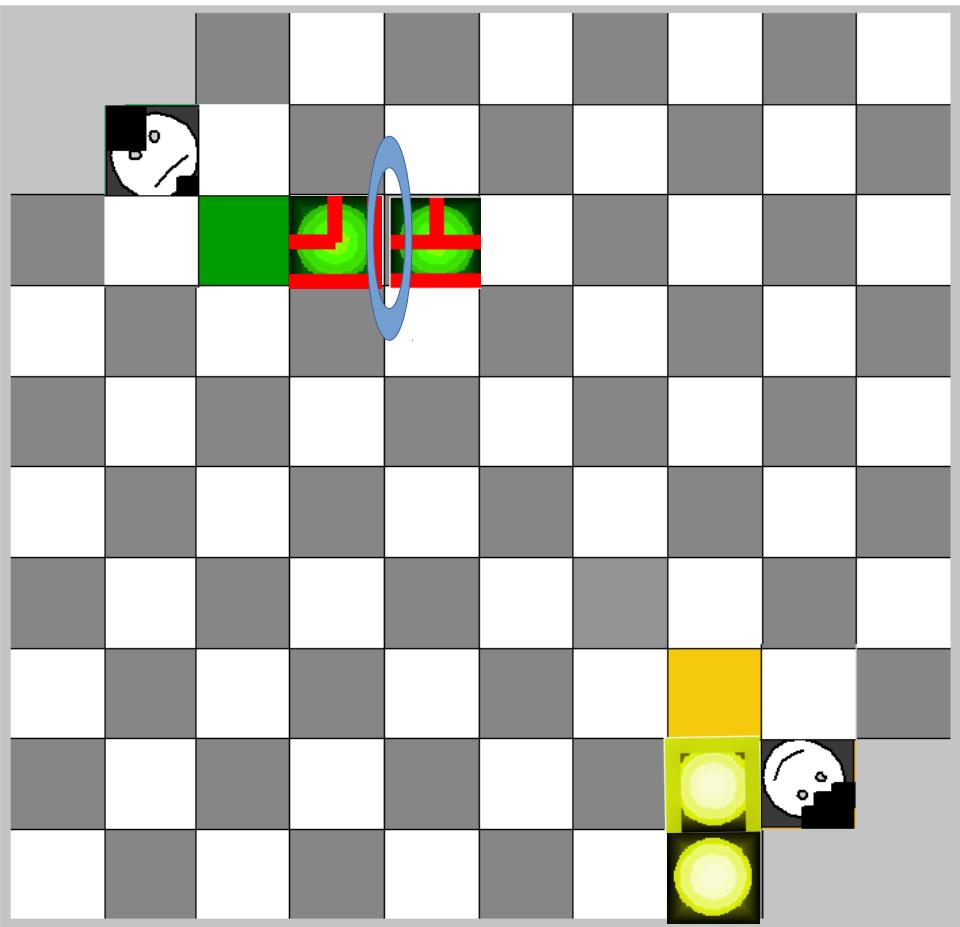

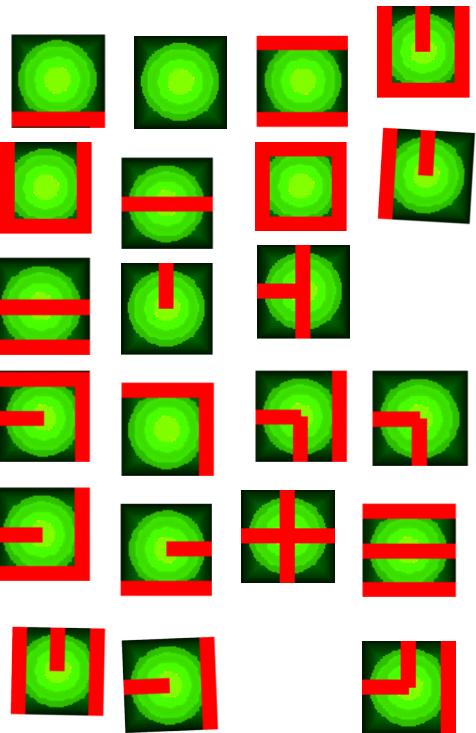

Green: reaction

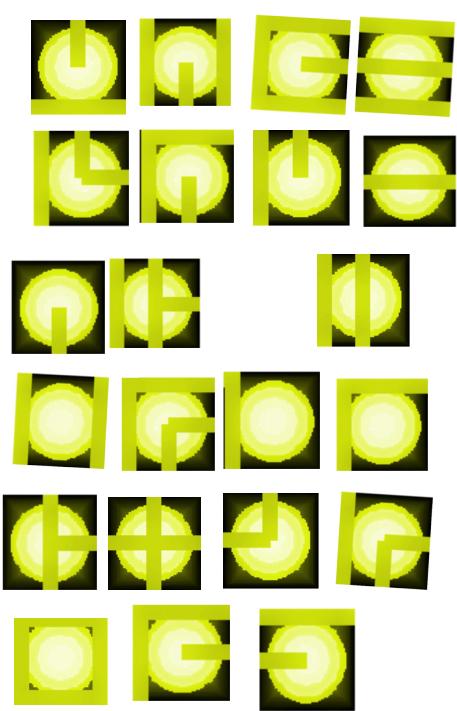

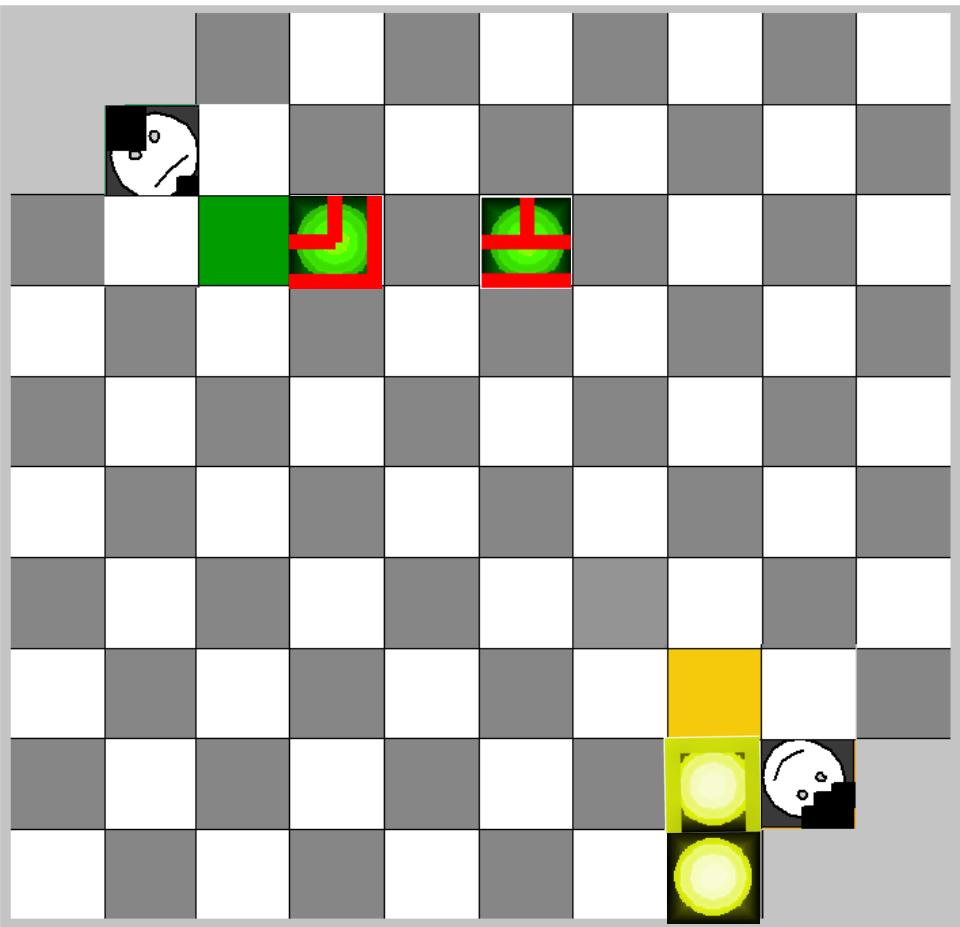

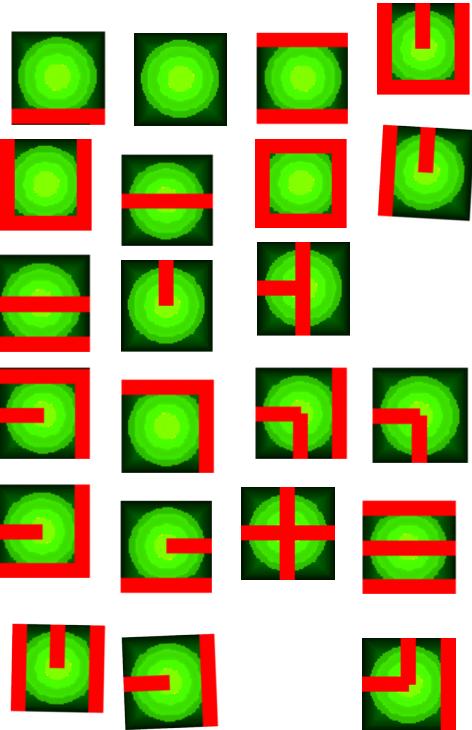

Green:
move right

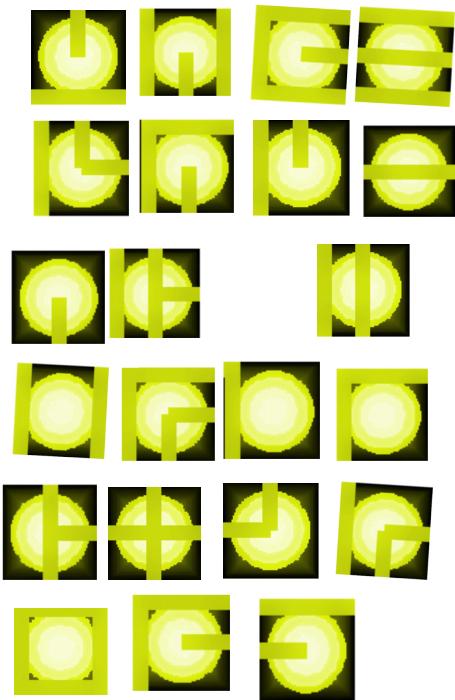

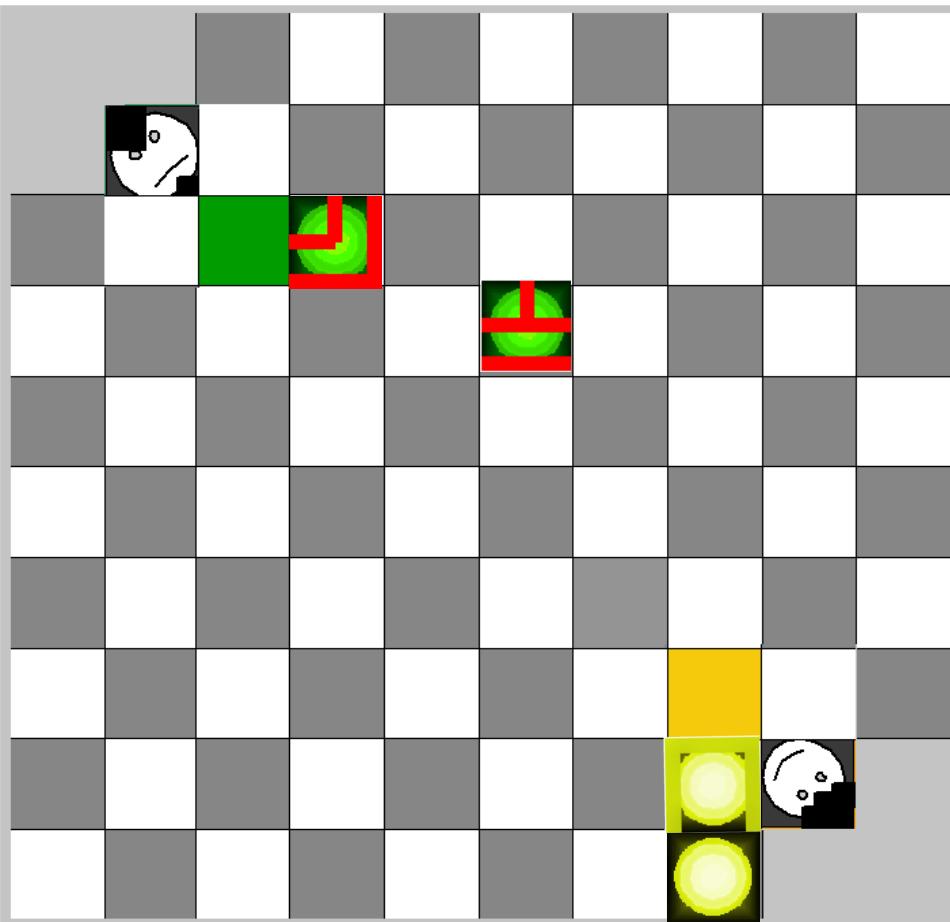

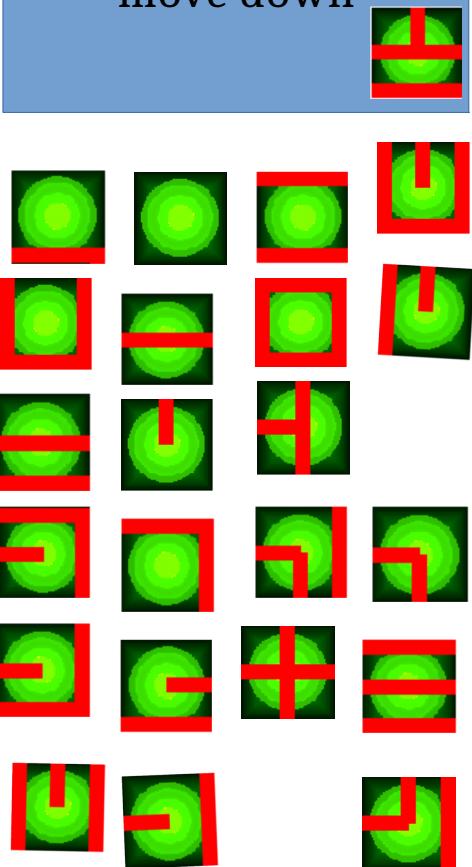

Green:
reaction

Green: reaction

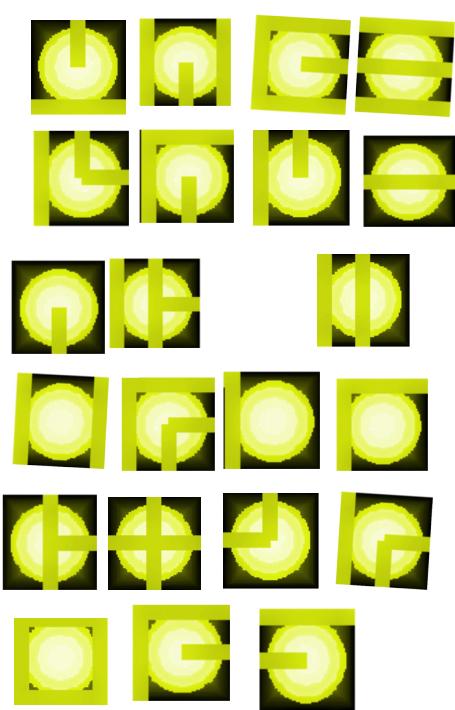

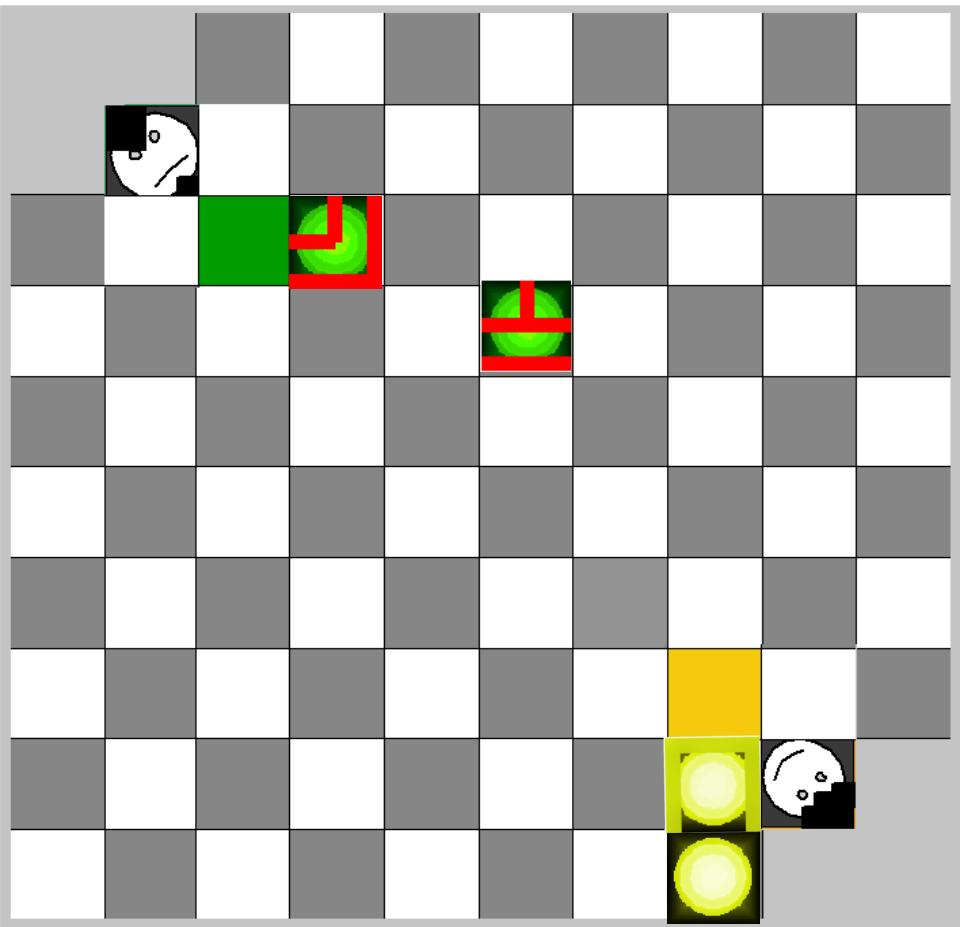

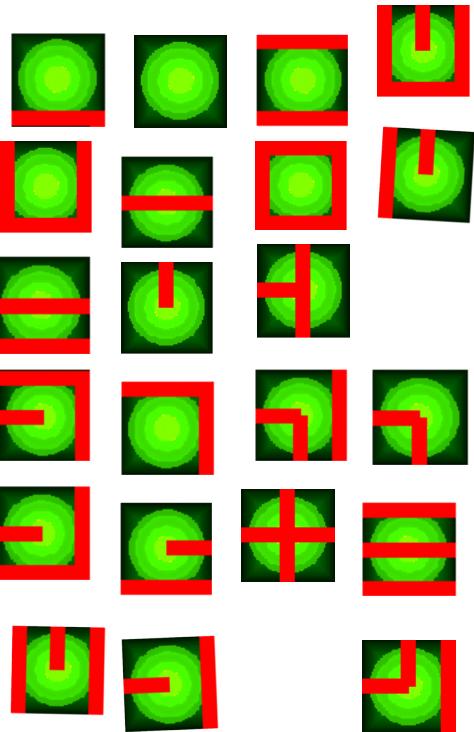

Green:
move down

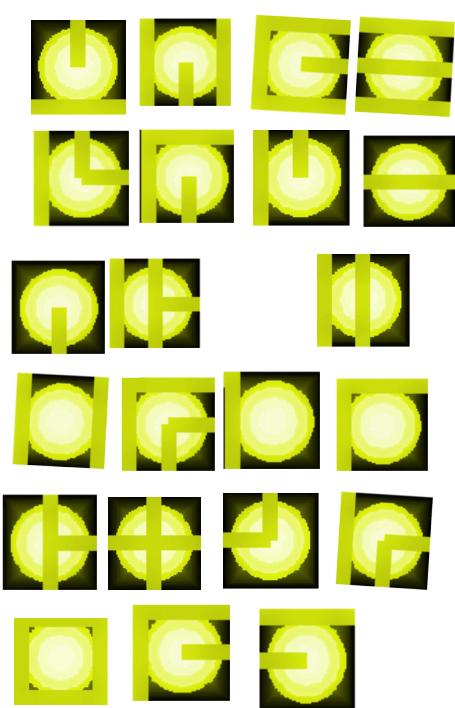

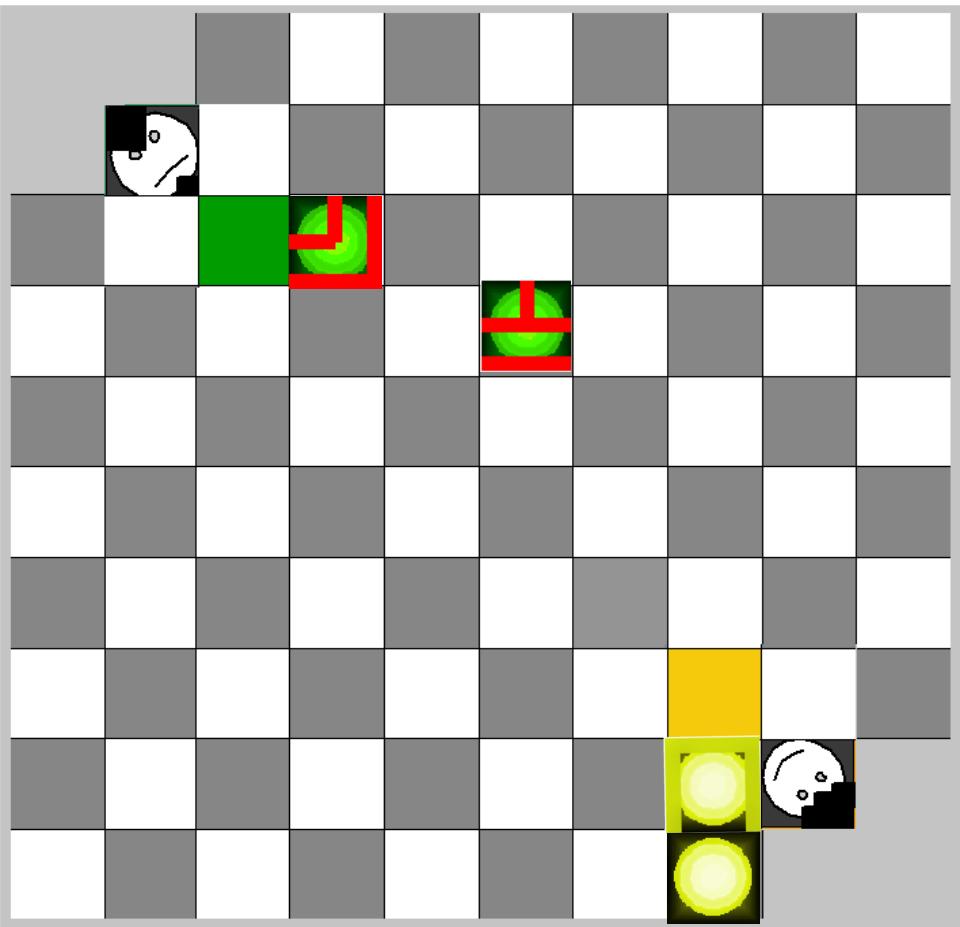

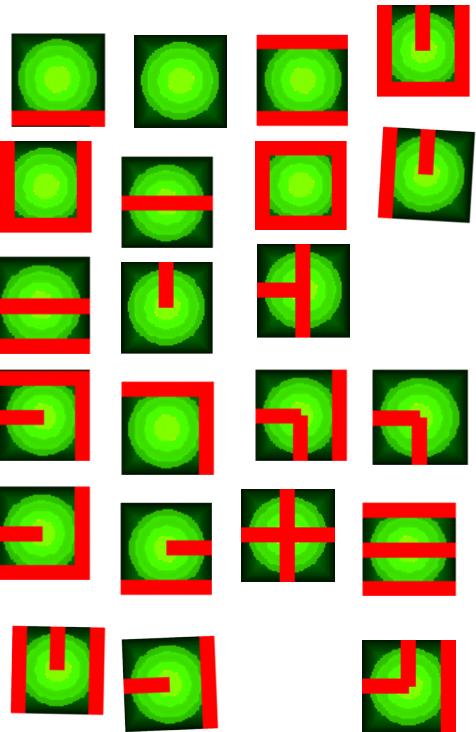

Note: for is ok to move down, before it was only pushed

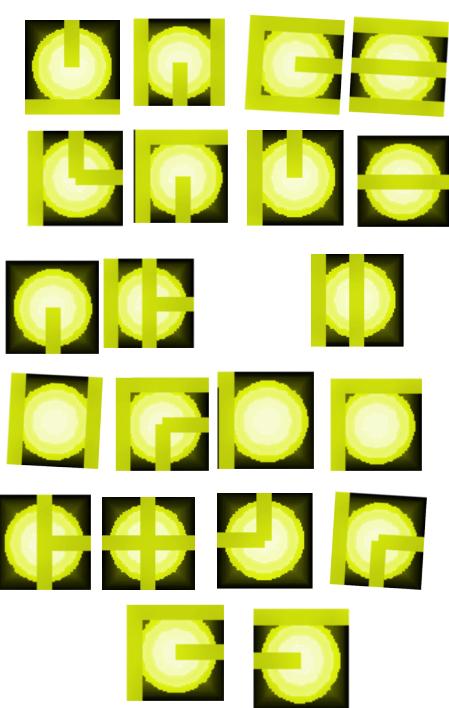

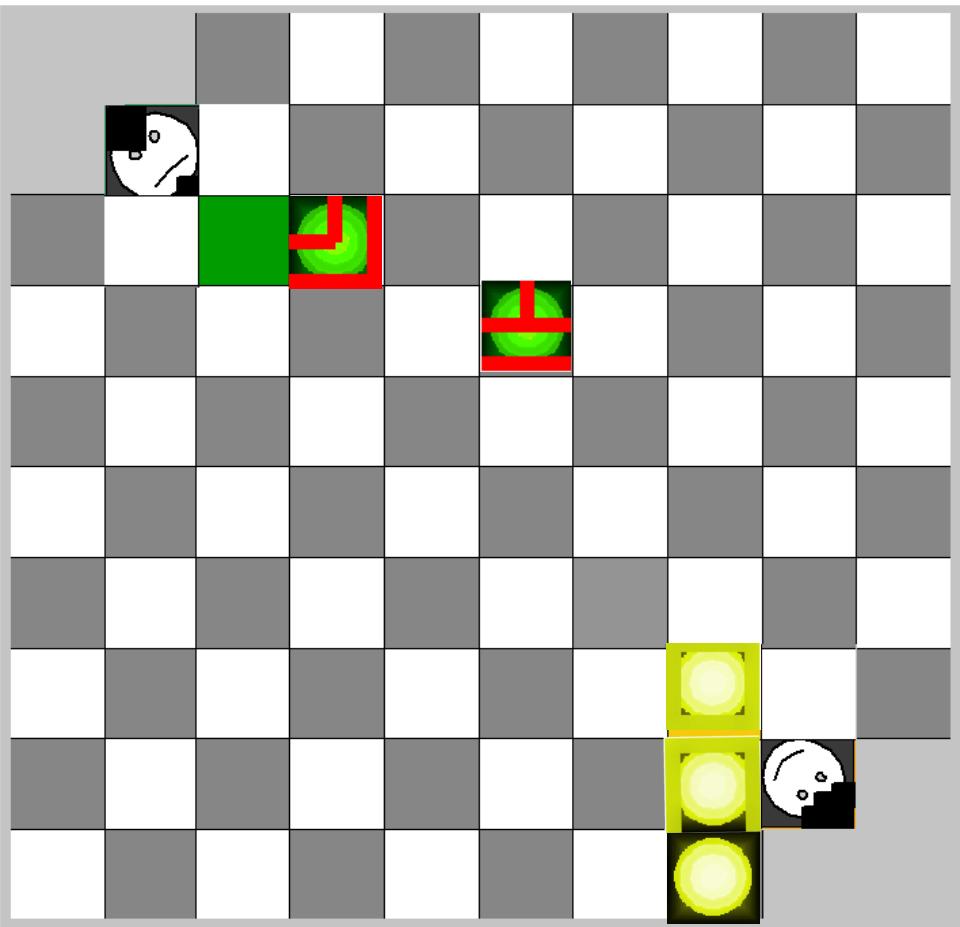

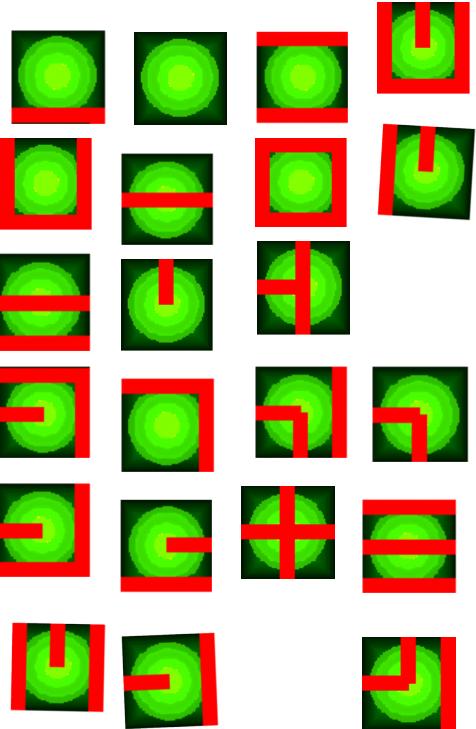

Green:
pass

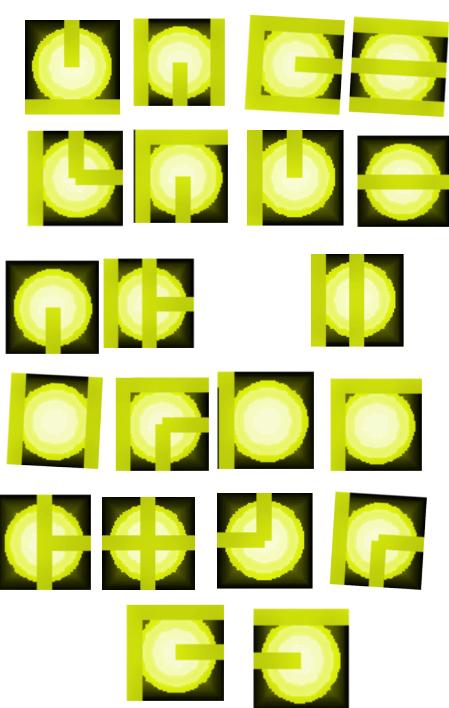

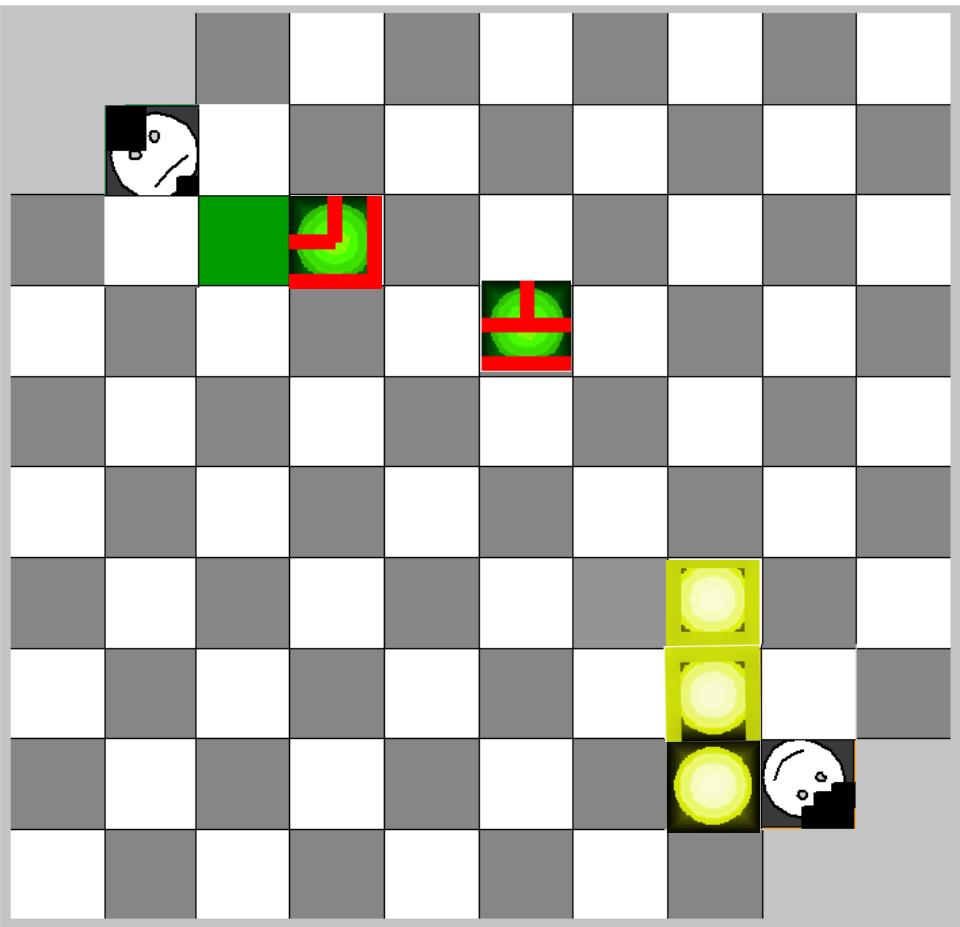

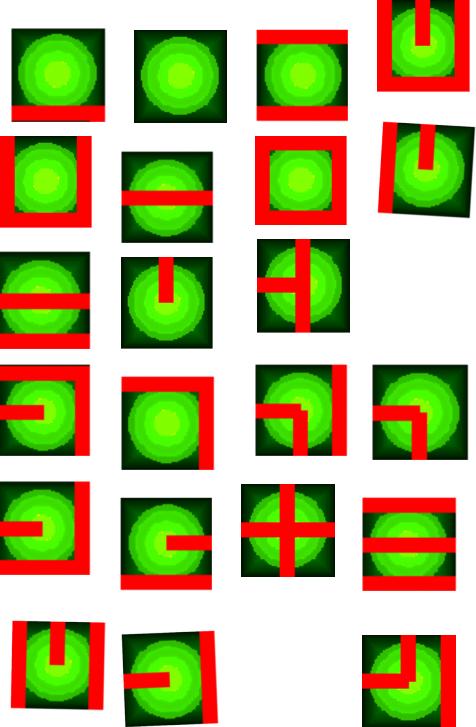

Yellow:
start

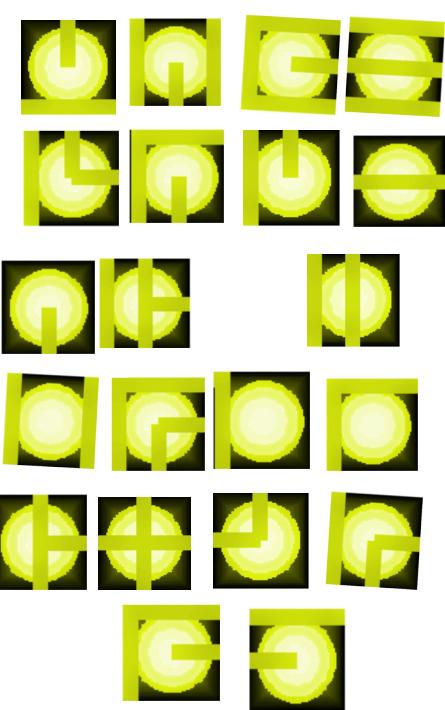

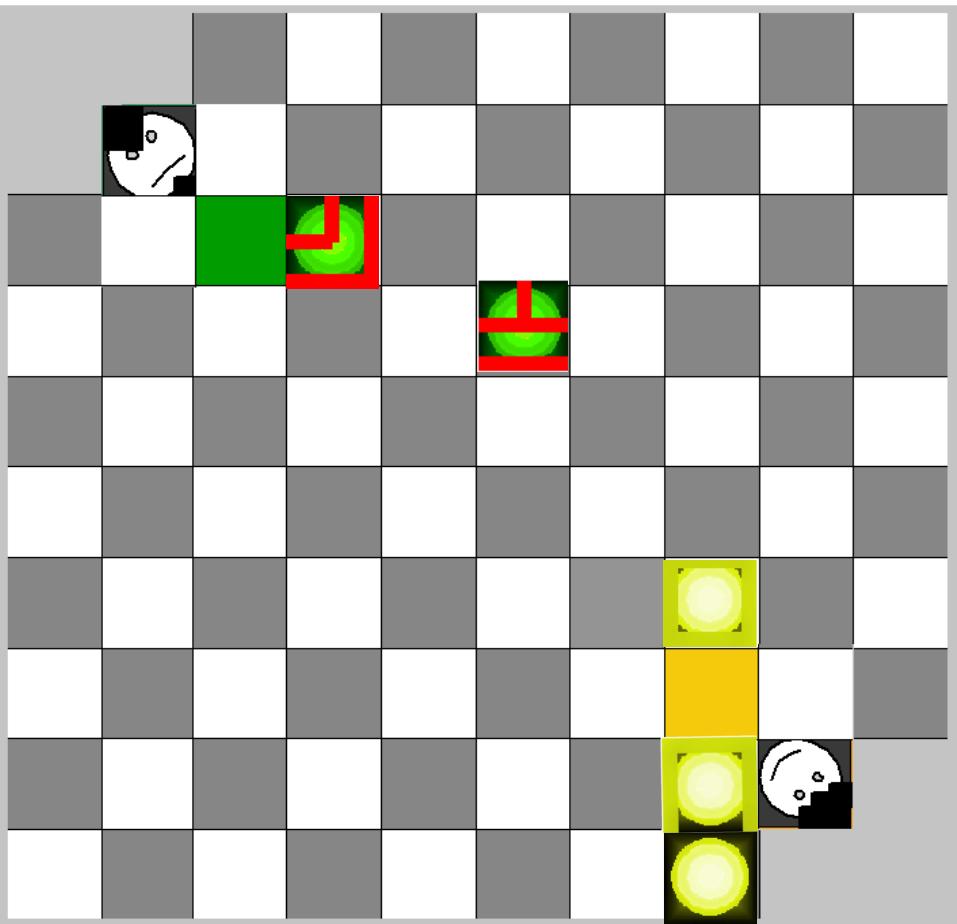

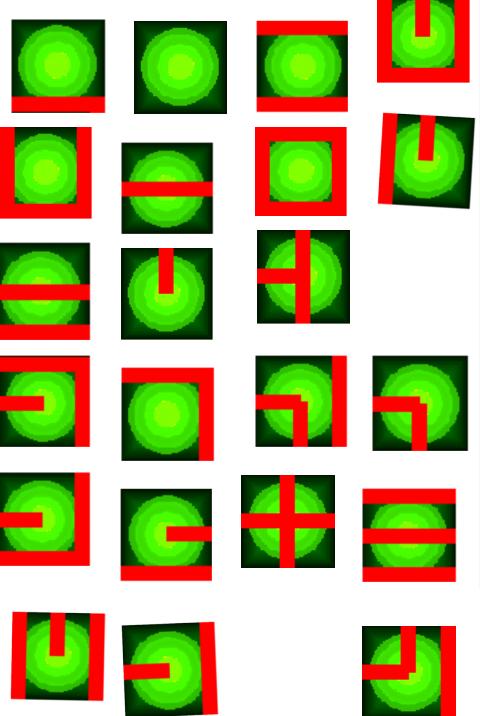

Yellow:
create

Yellow:
move up

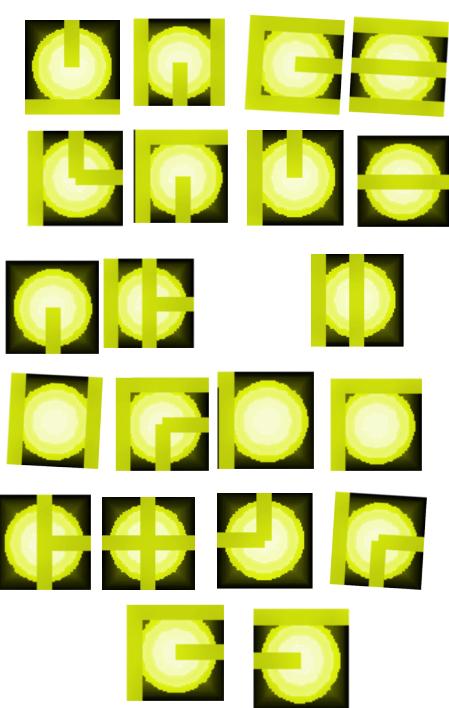

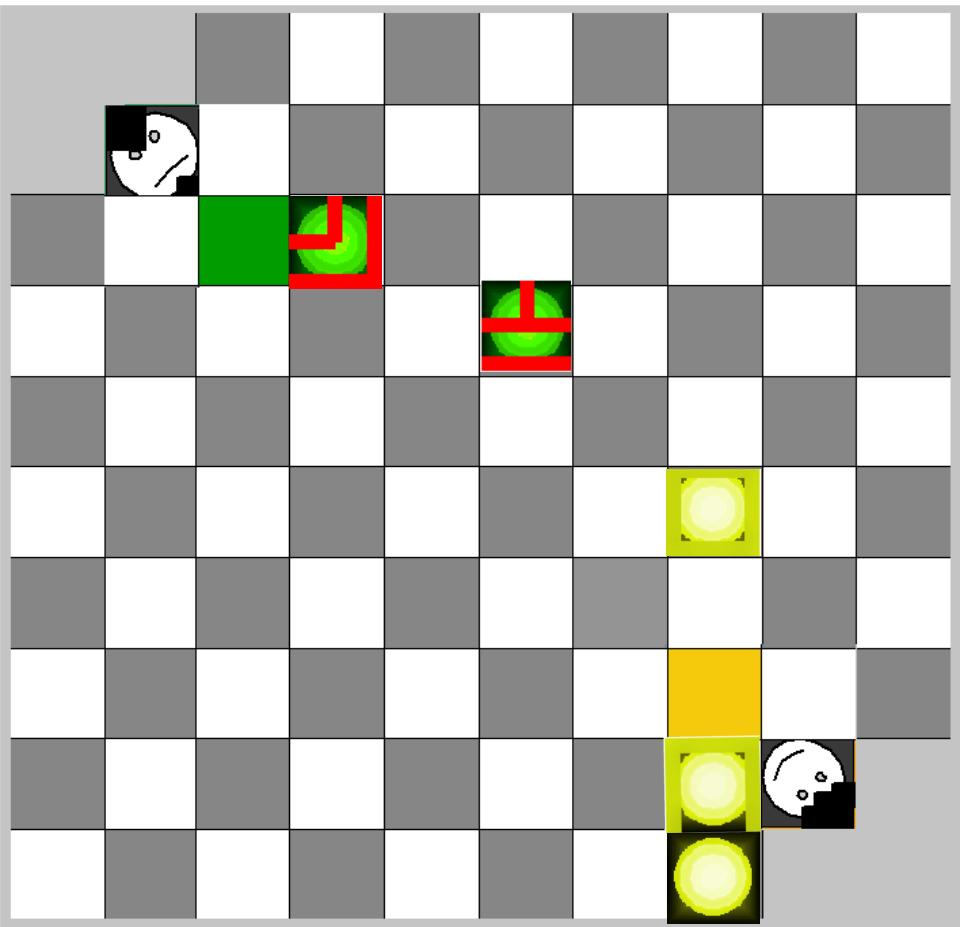

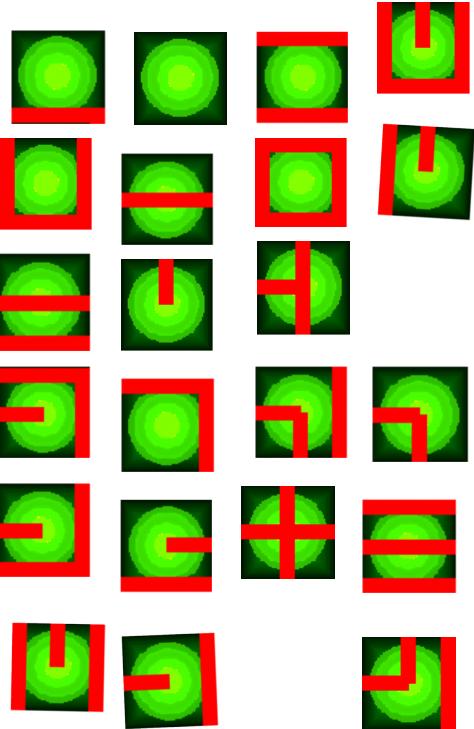

Yellow:
move down

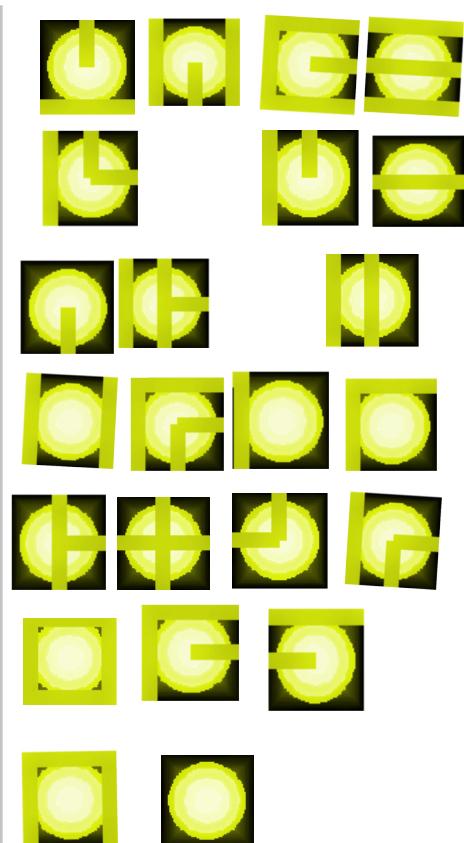

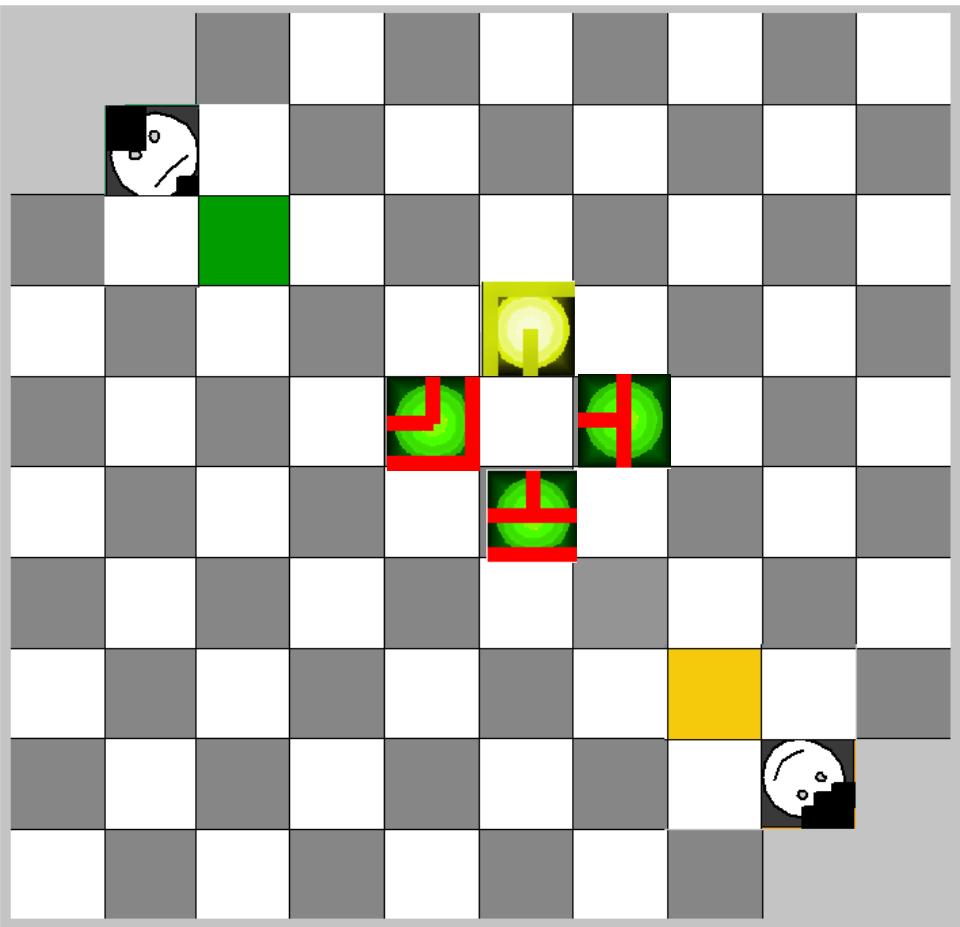

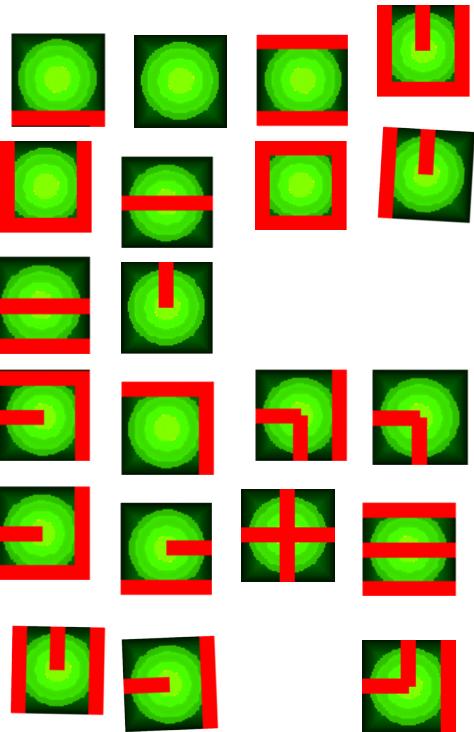

Note: in this way,
the creation
point of Yellow
is free again!

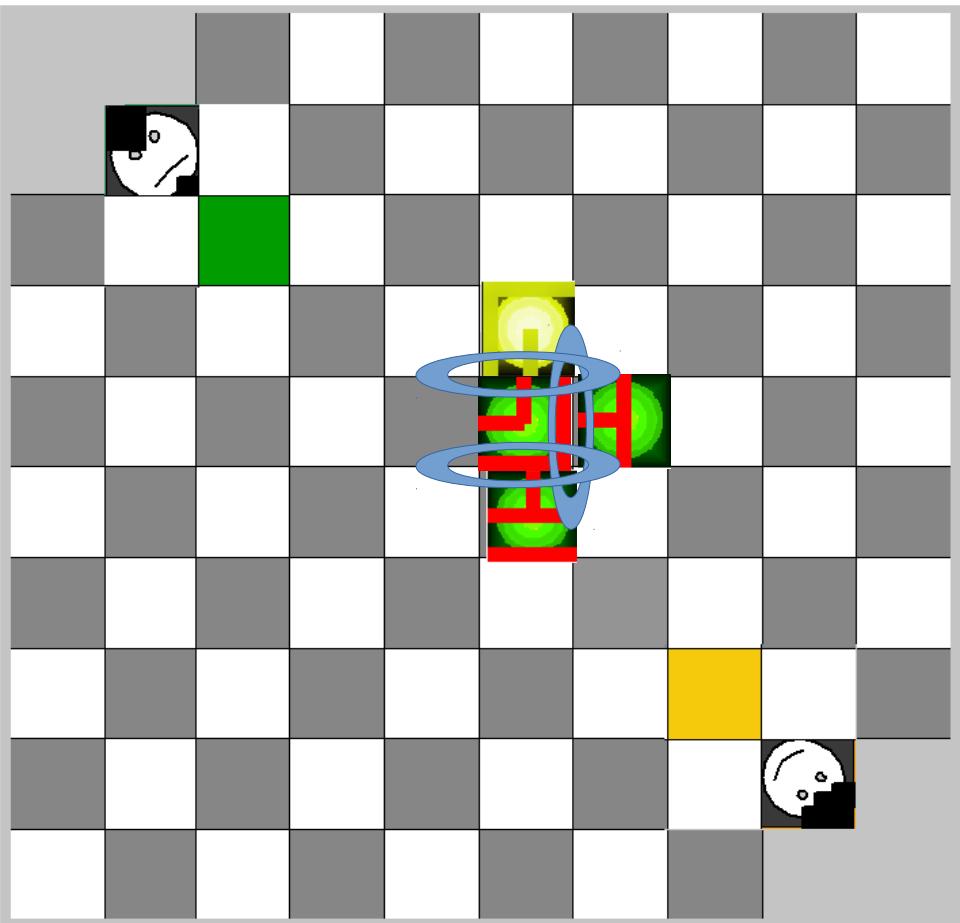

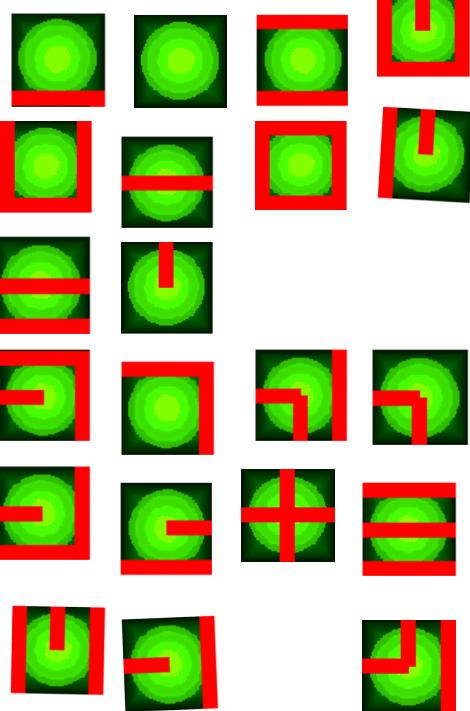

Yellow:
move up

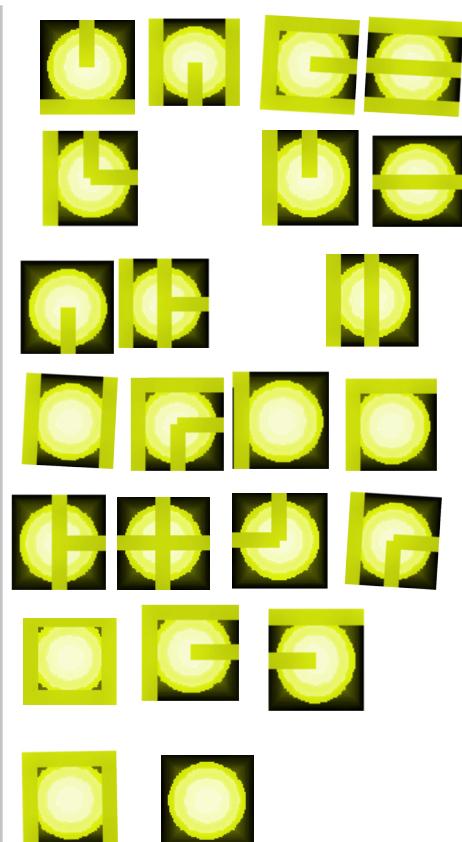

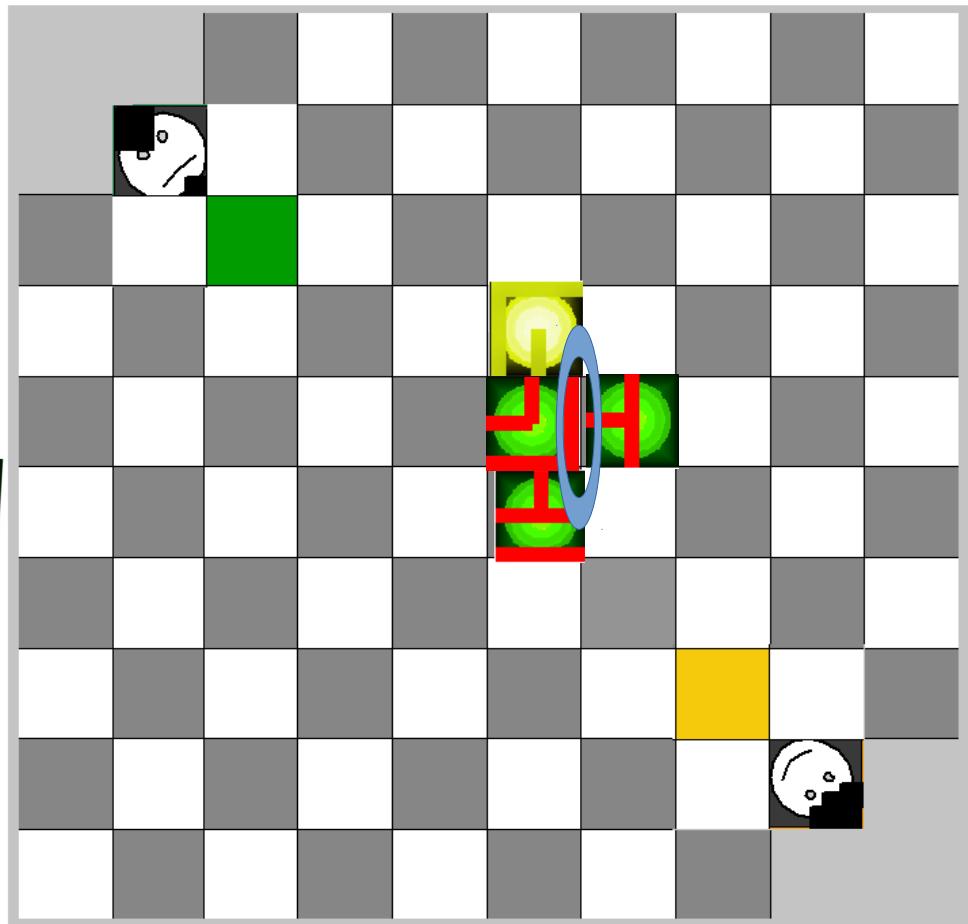

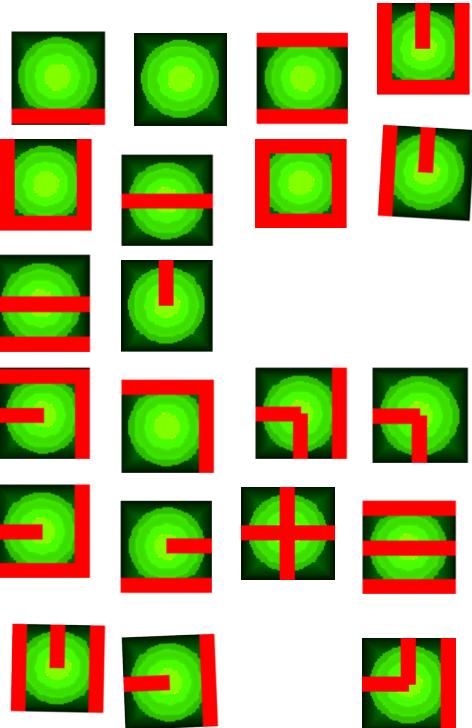

Special cases: multiple reactions

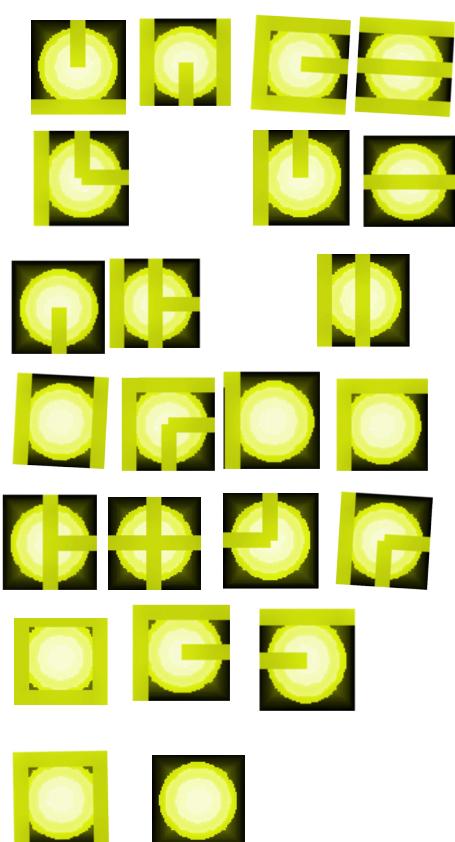

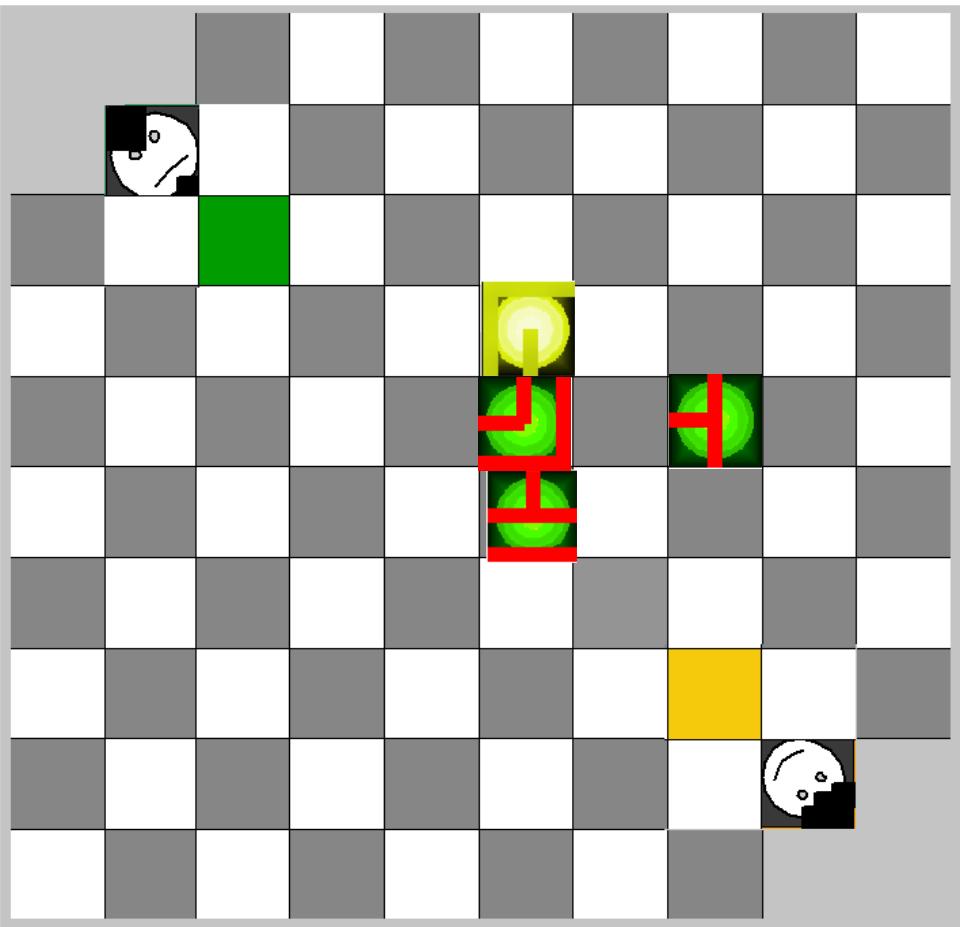

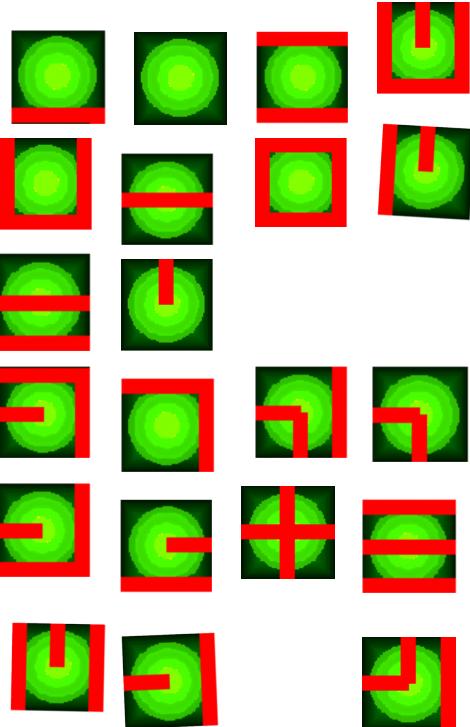

Special cases:
multiple reactions
Green move left

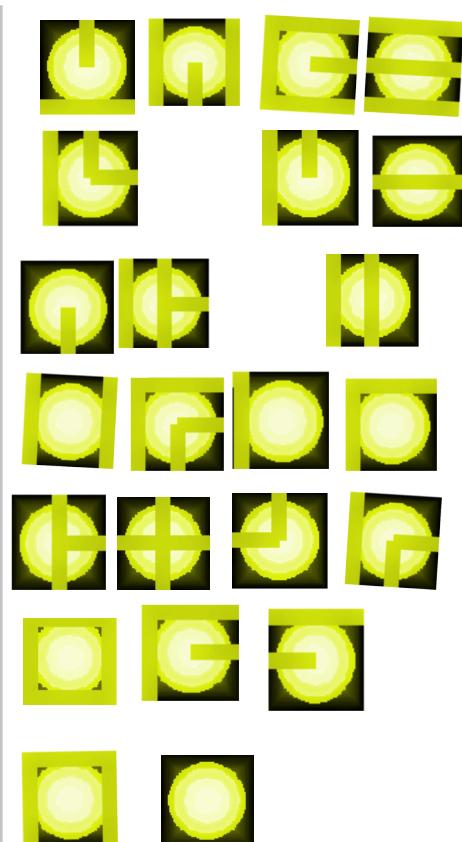

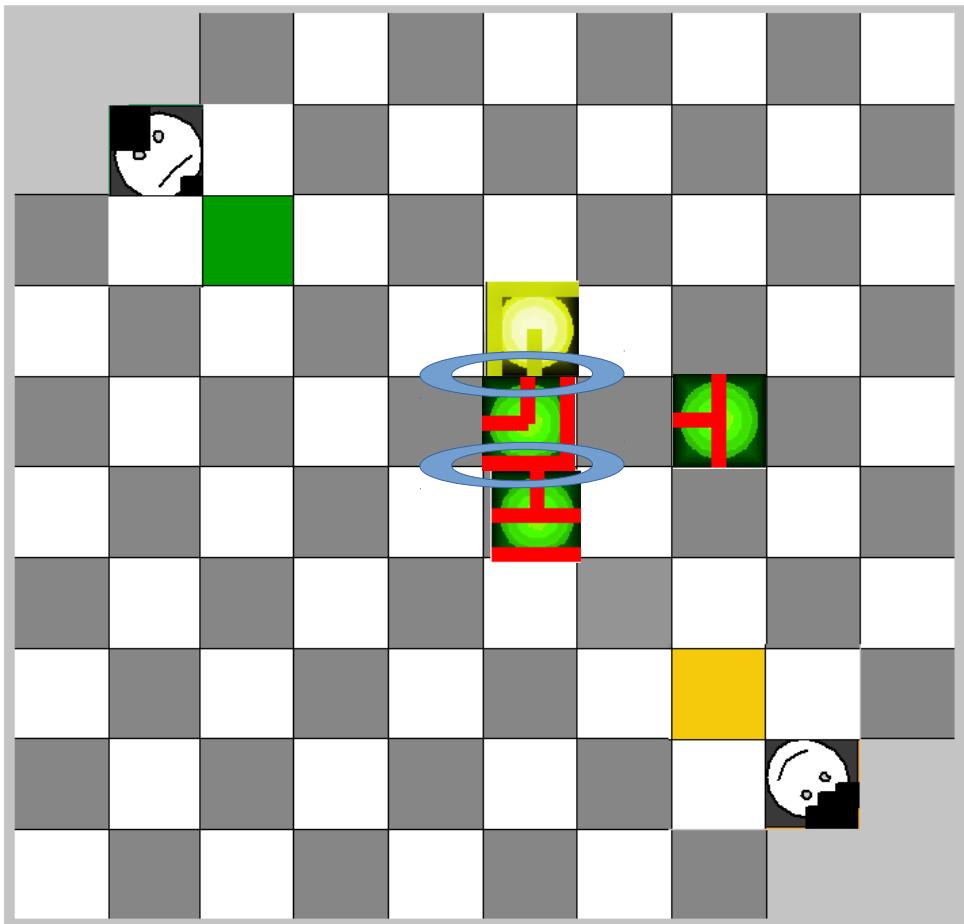

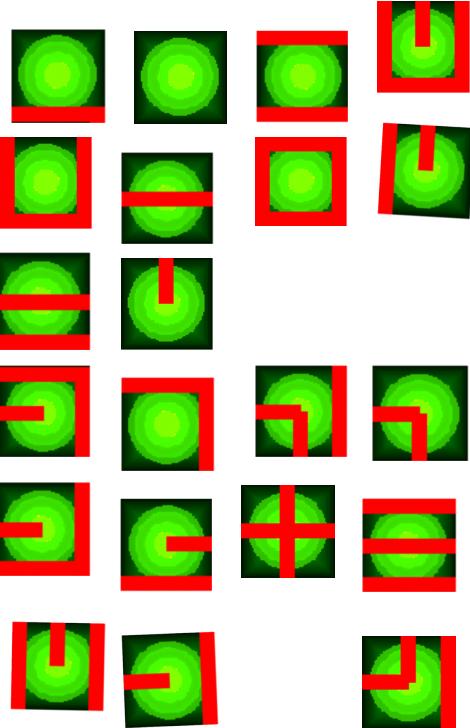

Special cases: multiple reactions Green select reaction

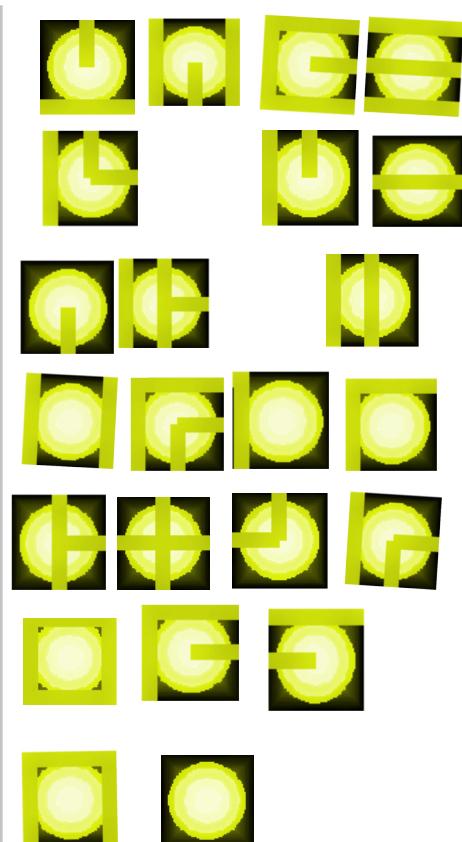

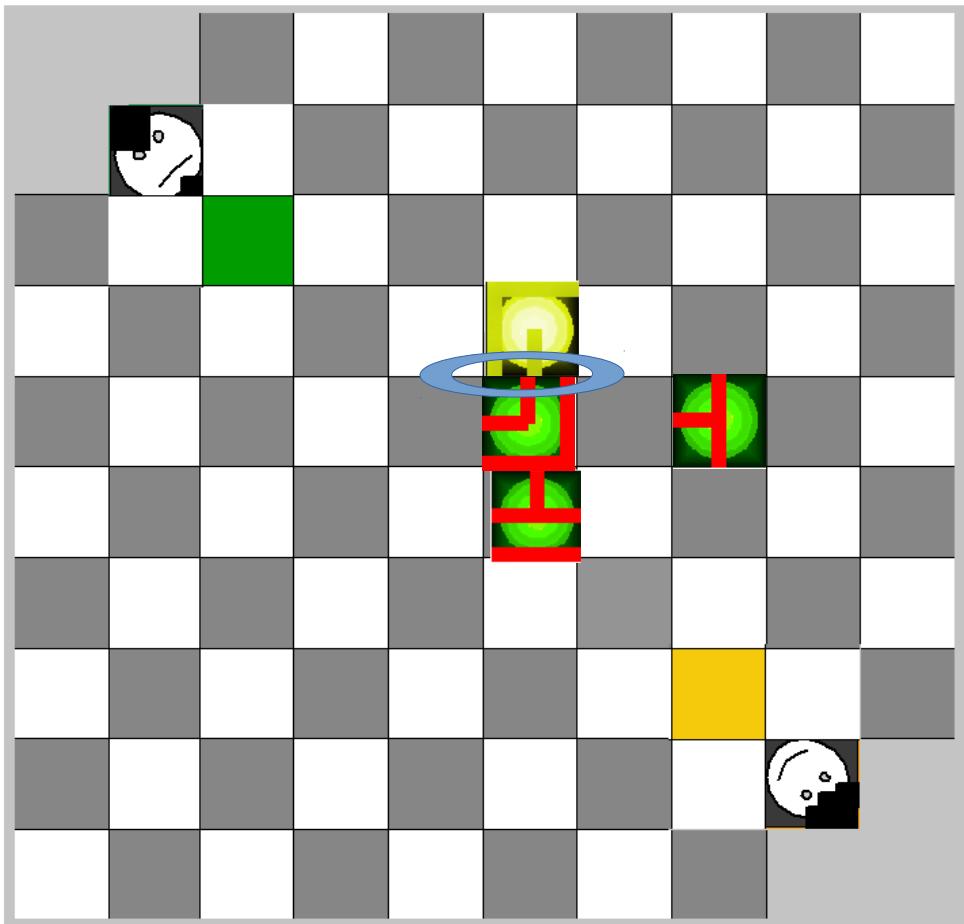

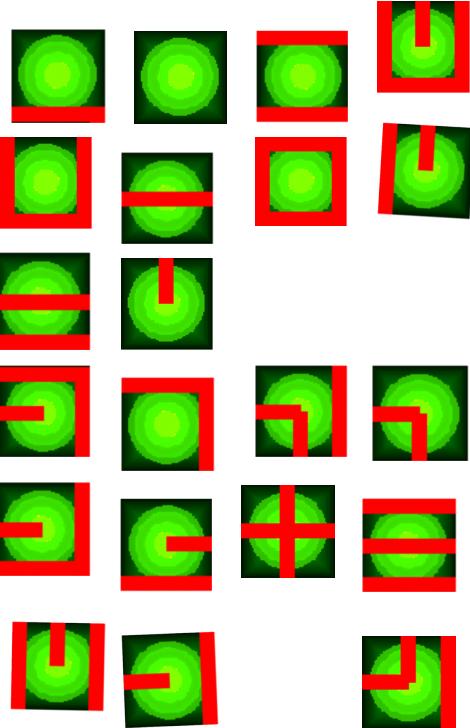

Special cases:
multiple reactions
Green select reaction

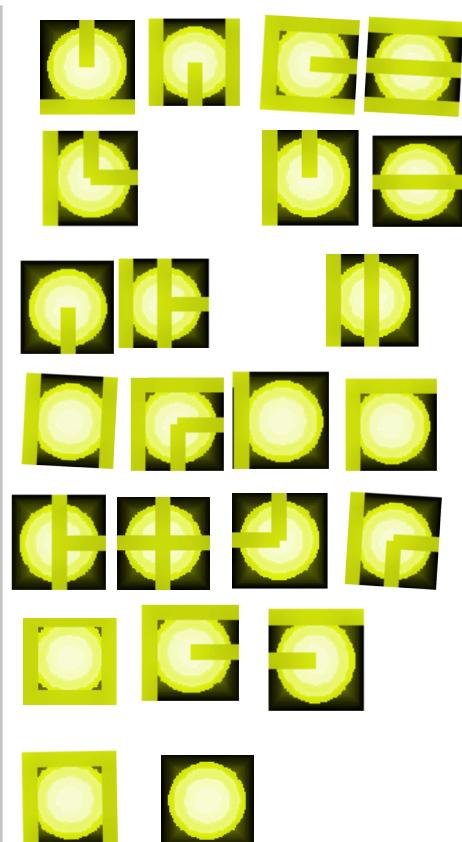

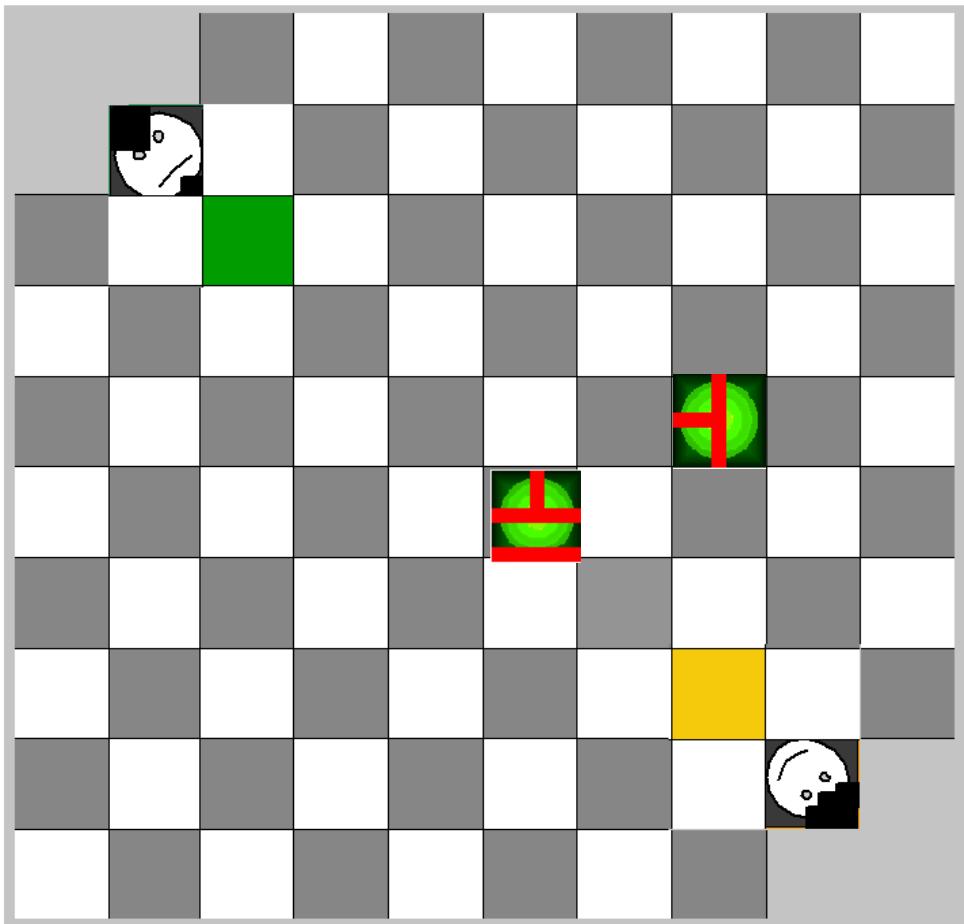

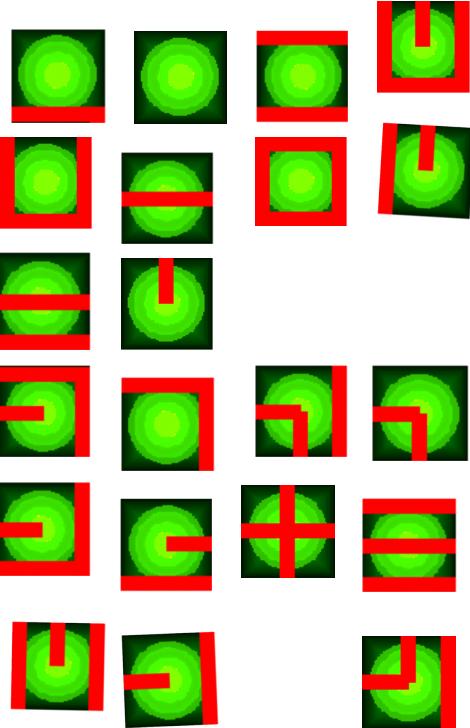

Special cases:
multiple reactions
There are still 2
reactions

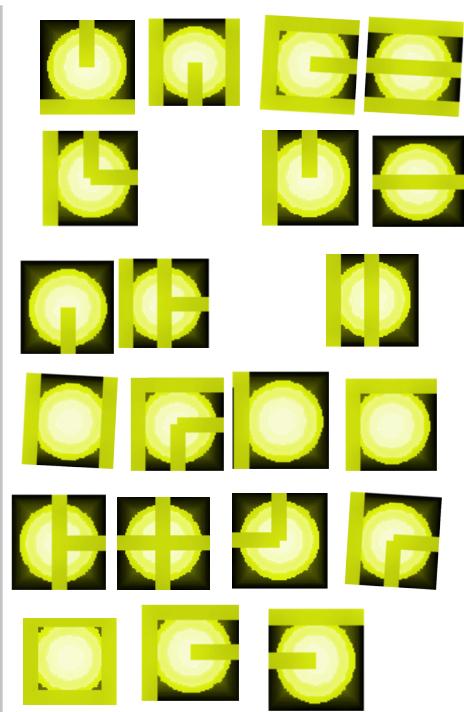

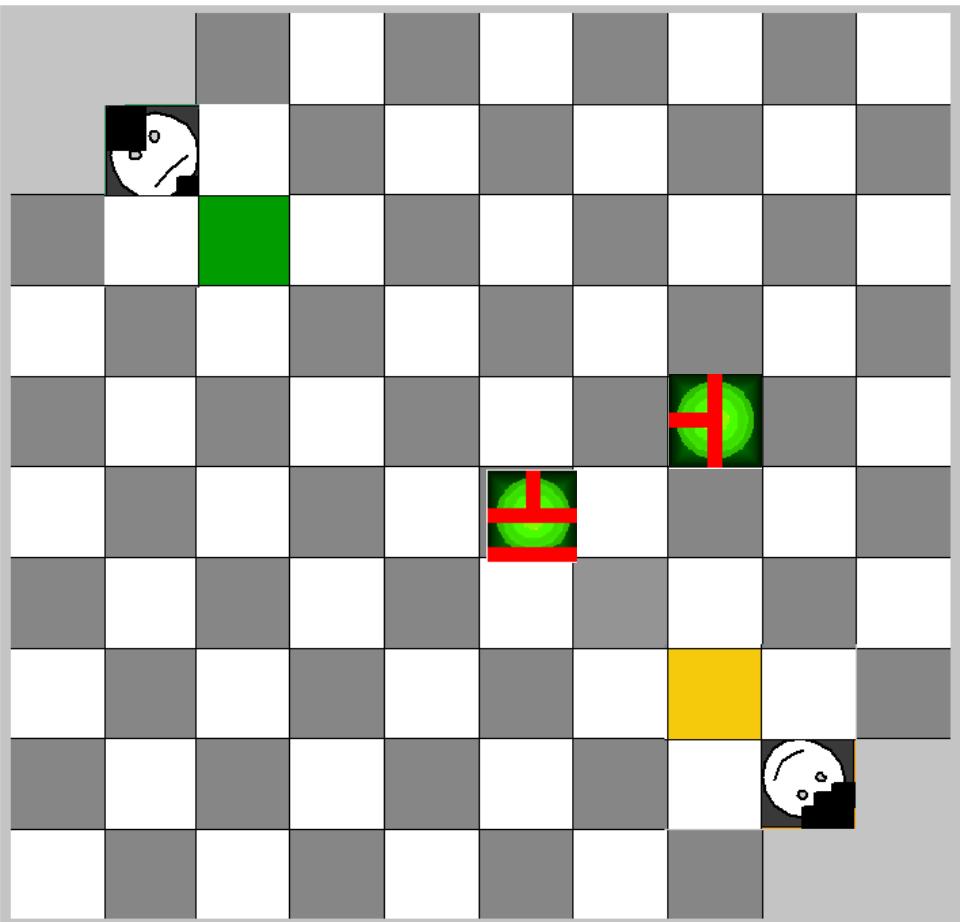

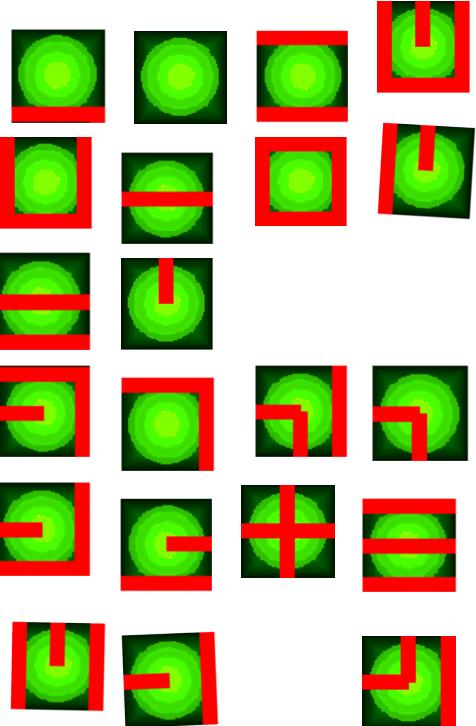

Special cases:
multiple reactions
Green select 1
reaction

Special cases:
multiple reactions
Green select 1
reaction

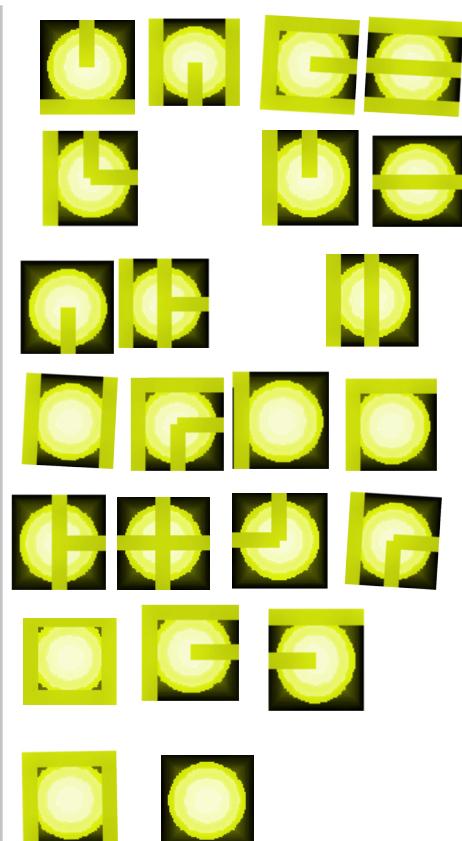

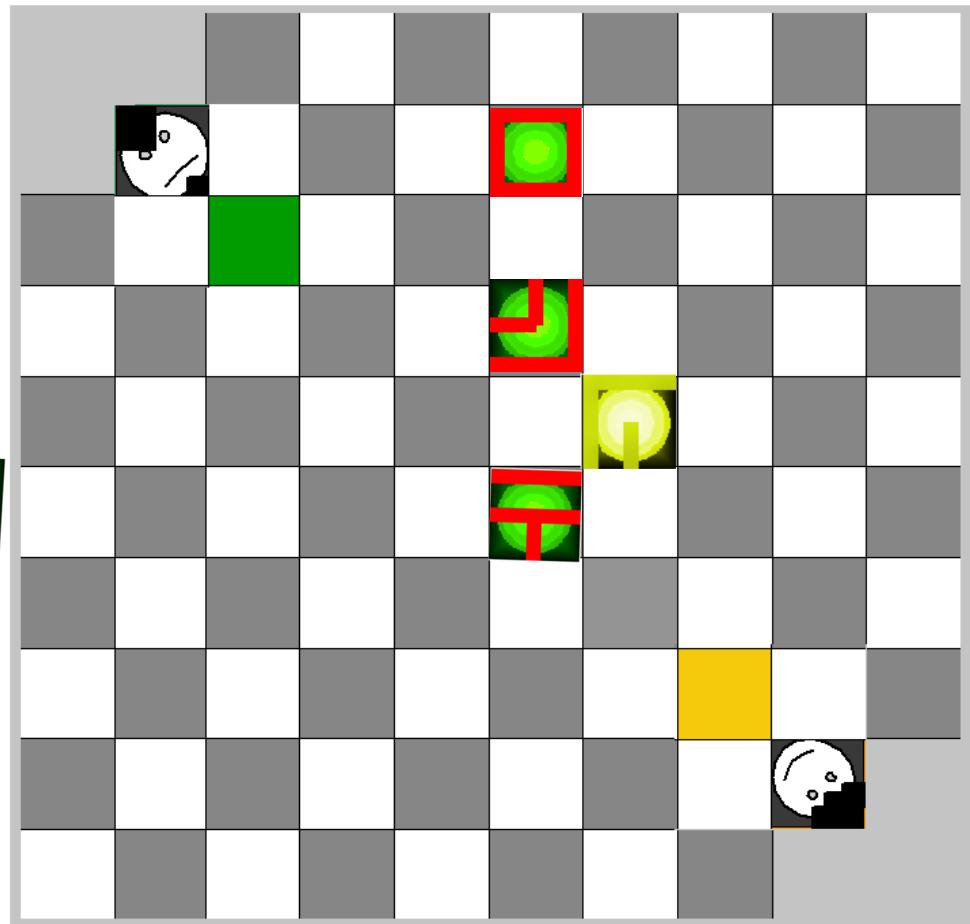

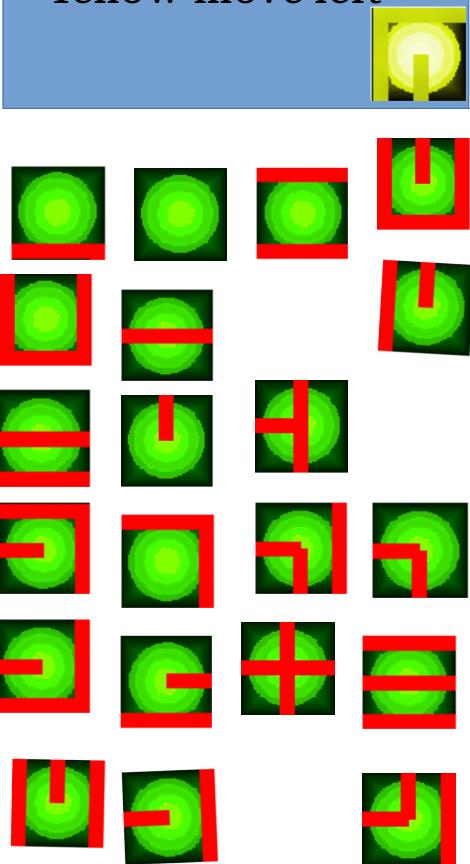

Special cases:
multiple reactions
Green can now
continue its turn.

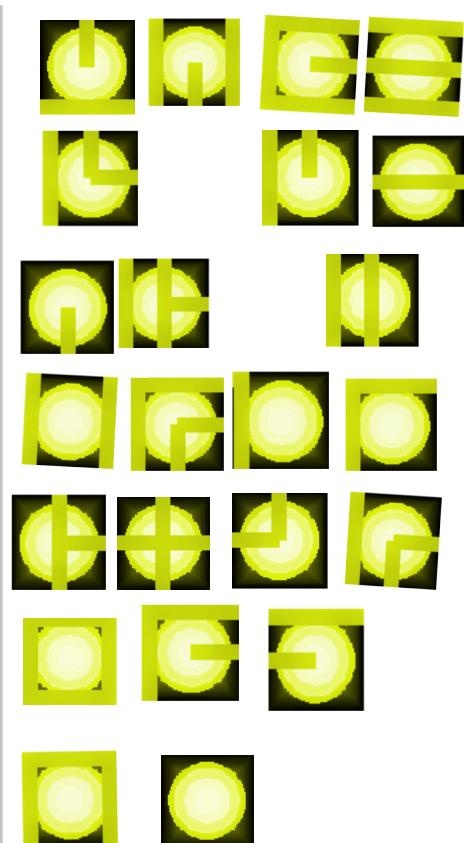

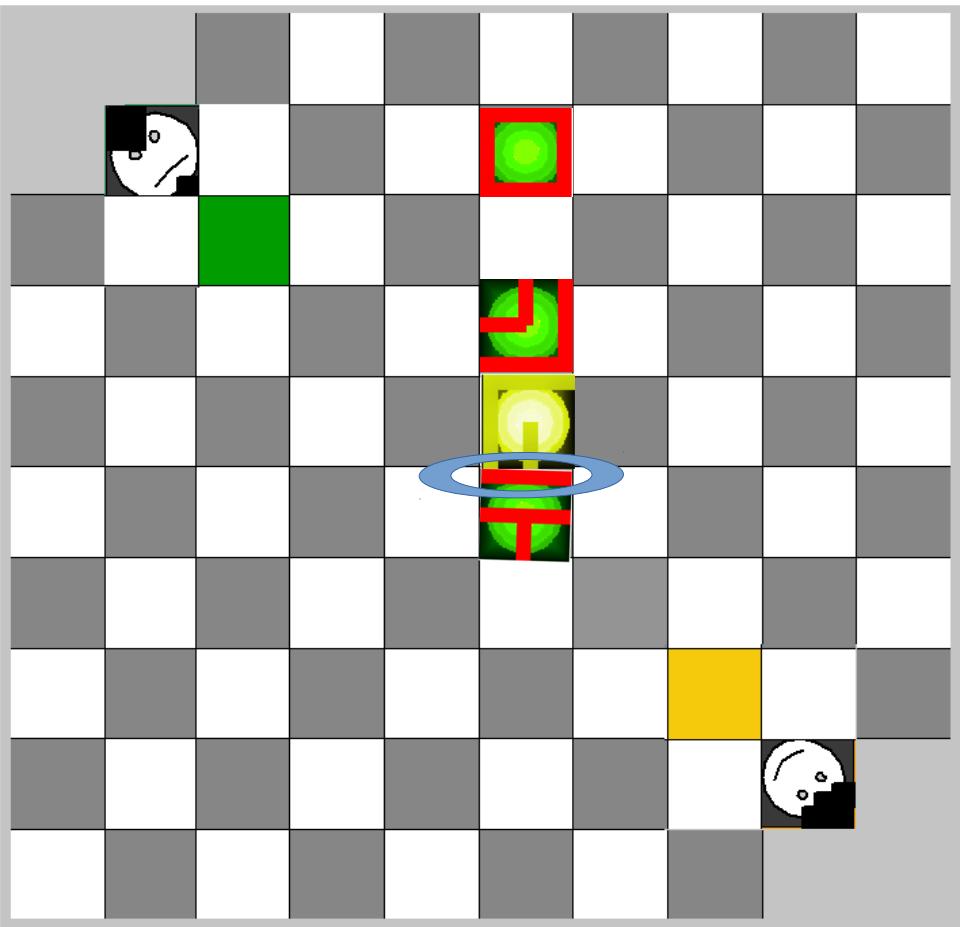

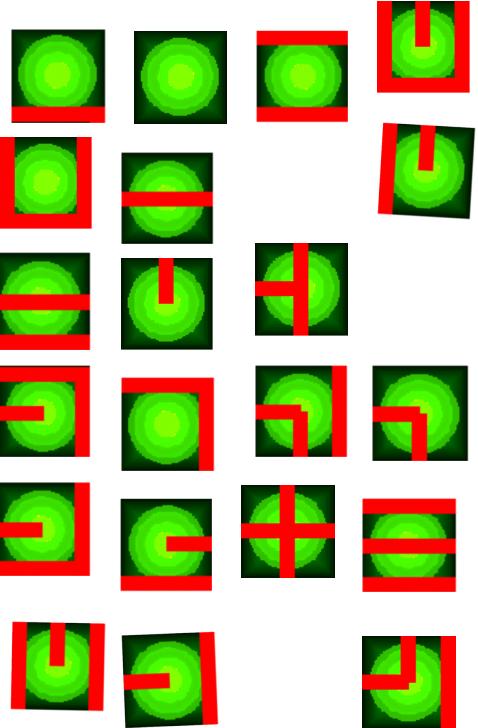

Note how is not being pushed down any more!

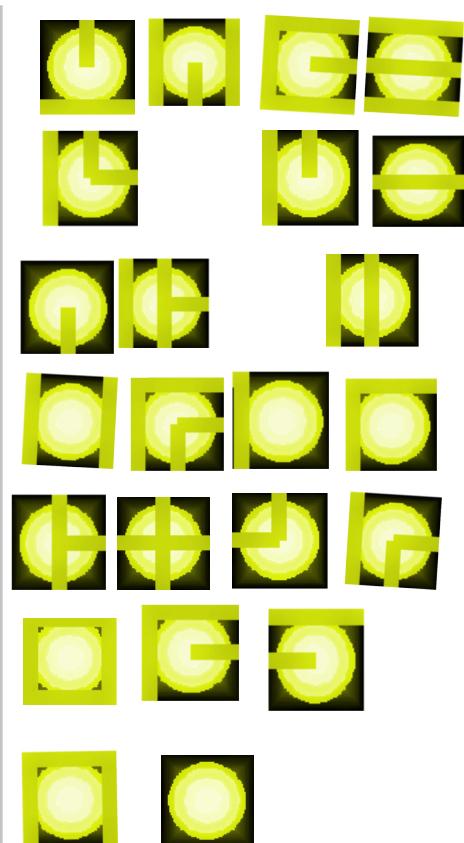

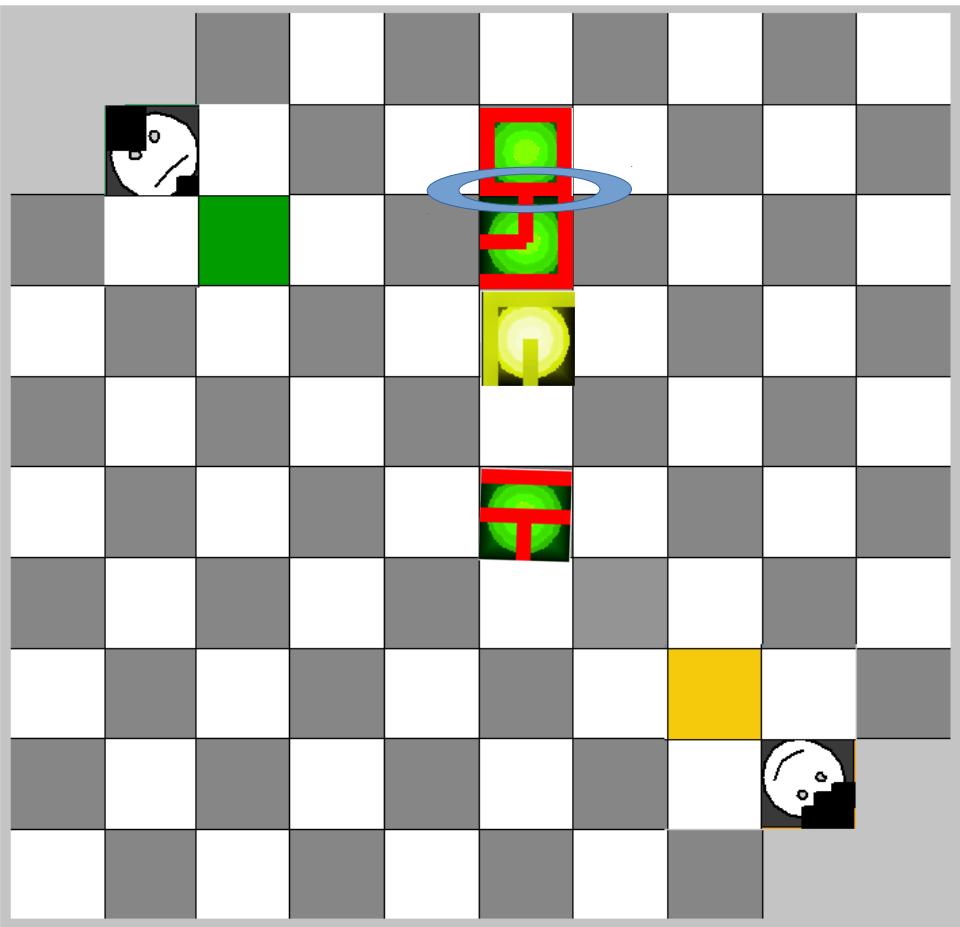

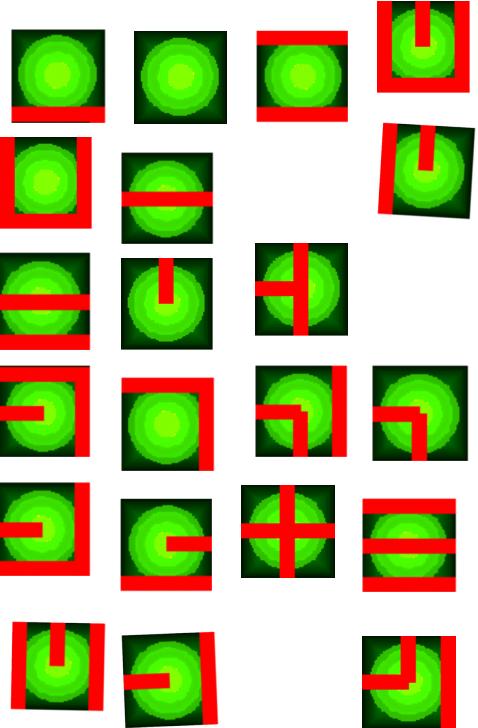

Special cases:
infinite reactions
Yellow move left

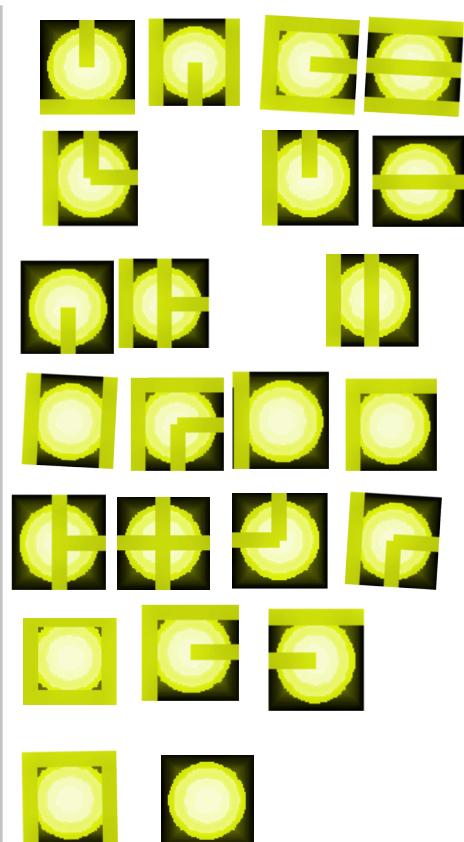

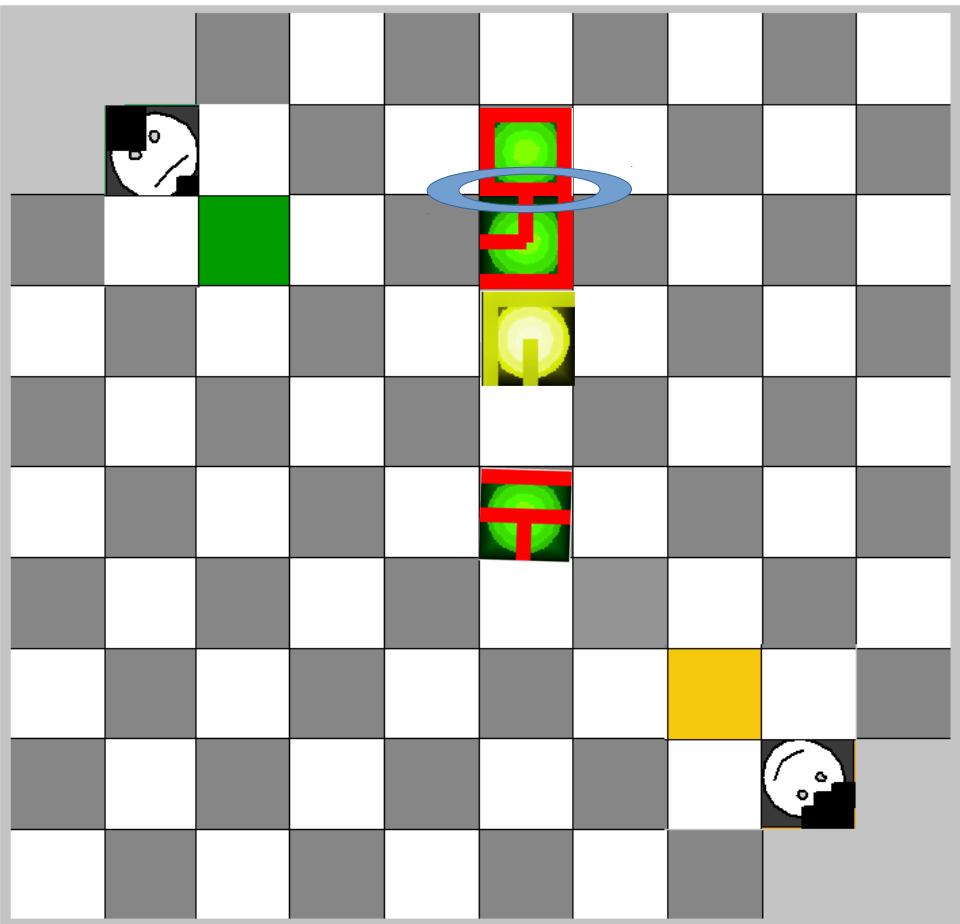

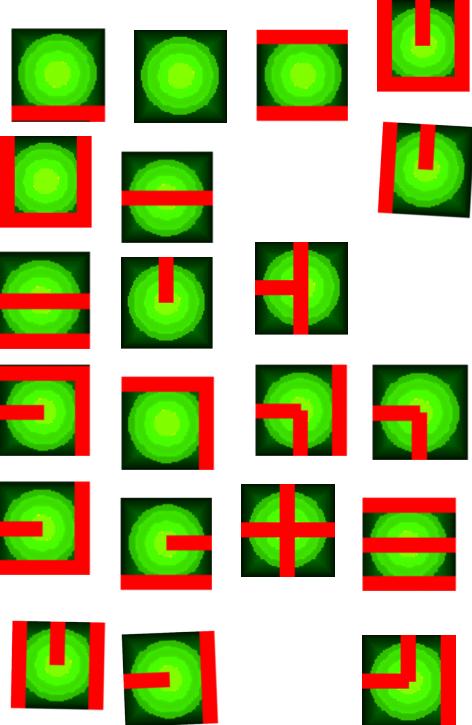

Special cases: infinite reactions

Special cases: infinite reactions

Special cases:
The “yellow move left”
move was invalid.
